NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

<u>Section 1</u>. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, Agency Policy Committee review and recommendations of the Project and its August 5, 2021 resolution to approve the project subject to the terms and conditions as described herein, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and/or renovating and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing and/or retaining employment opportunities in Erie County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries, and, to the extent occupants are relocating from one plant or facility to another in another area of the State, the Agency has complied with the Intermunicipal Movement procedures as required in the Countywide Industrial Development Agency Uniform Tax Exemption Policy; and

(F) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(G) The Agency has prepared a written cost-benefit analysis identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(H) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions the Act.

(I) STI-CO (the "Tenant") will occupy the Facility. The Agency hereby approves the subleasing of space in the Project to the Sub-Tenant and authorizes the Company to proceed with the Project as herein authorized; and

(J) Based upon a review of the Application and representations made by the Company to the Agency and the EAF, the Agency finds and determines that: (i) the Project constitutes an "Unlisted Action" within the meaning of SEQR and a coordinated review is optional; (ii) the Agency has conducted an uncoordinated review of the Project under SEQR; (iii) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (iv) rehabilitation/construction and interior fit-out related impacts are short term and do not have a significant magnitude or effect; (v) the Project will not have a

"significant effect on the environment" as such quoted term is defined in SEQR; and (vi) no "environmental impact statement" as such quoted term is defined in SEQR, need be prepared for this action. The Agency thus issues a Negative Declaration pursuant to 6 N.Y.C.R.R. § 617.7 of the SEQR regulations, which concludes the Agency's uncoordinated review of the Project.

(K) The Project qualifies for Agency Financial Assistance as it meets the Agency's evaluative criteria established by the Agency as required under General Municipal Law Section 859-a(5), as evidenced by the following:

(i) *Wage Rate (above median wage for area):* Erie County per capita income: \$33,598. Estimated salary of jobs to be created: \$53,167.

(ii) *Regional Wealth Creation (% sales/customers outside area):* 91% of sales are to companies located outside of New York State.

(iii) In Region Purchases (% of overall purchases): Sti-Co estimates 30% of total annual supplies, raw materials and vendor services are sourced from Erie County companies.

(iv) *Research and Development Activities:* 24% of departmental expenses are related to research and development.

(v) *Investment in Energy Efficiency:* Most equipment being purchased will have more efficient motors generating energy savings and lowering costs. Also, the purchase of a new compressor will result in energy savings from more efficient technology and will provide for significant noise reduction.

(vi) Locational Land Use Factors, Brownfields or Locally Designated Development Areas: Property is zoned for commercial use.

- (vii) *LEED/Renewable Resources:* Not Applicable.
- (viii) Retention/Flight Risk: Not applicable.

(ix) *MBE/WBE Utilization:* Sti-Co's purchasing department strives to locate certified M/WBE vendors. In addition, Sti-Co follows its Affirmative Action Program and maintains an audit and reporting system to determine overall compliance with its equal opportunity mandates. Sti-Co's purchasing department estimates approximately 7% of vendor purchases are procured from minority and women businesses. The Krog Group has been selected as the general contractor and has a history of working with M/WBE contractors as outline on the attached statement.

(x) *Workforce Access-Proximity to Public Transportation:* The facility is located on bus route 72.
