A charter school is a public school financed by local, State, and Federal resources that is not under the control of the local school board and is governed under Education Law Article 56. The Buffalo Academy of Science Charter School (School) is governed by a Board of Trustees (Board). The mission of the Buffalo Academy of Science Charter School (BASCS) is to fulfill the high demands of students in Buffalo from grades 7 to 12, their parents and the community as a whole by addressing the following: Provide an excellent academic educational plan with emphasis on math, science, and technology while providing the opportunity for students to excel in any field of study; Provide a rigorous, innovative, challenging and enhanced curriculum focused on preparing students - per individual basis - who are from a community not served successfully by public education and cannot afford the private education services for college; Prepare students to become responsible, educated citizens who have the skills and understanding to participate and work productively in a diverse, multicultural, globally-oriented environment and who are ready to carry the torch of knowledge, freedom and prosperity; Create a partnership and participation environment among the student - teacher - parent triad that will provide our youth with the support necessary to reach their highest potential - intellectually, socially, emotionally and physically.

If yes, explain

Is the project located in a Highly Distressed Area? <BLANK>

Section V: Inter-Municipal Move Determination

The Agency is required by state law to make a determination that, if completion of a Project benefiting from Agency Financial Assistance results in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, Agency financial Assistance is required to prevent the project occupant from relocating out of the state, or is reasonably necessary to preserve the project occupant's competitive position in its respective industry.

Will the project result in the removal of an industrial or manufacturing plant of the Project occupant from one area of the state to another area of the state? No

Will the project result in the abandonment of one or more plants or facilities of the Project occupant located within the state? No

If Yes to either question, explain how, notwithstanding the aforementioned closing or activity reduction, the Agency's Financial Assistance is required to prevent the Project from relocating out of the State, or is reasonably necessary to preserve the Project occupant's competitive position in its respective industry:

Does this project involve relocation or consolidation of a project occupant from another municipality or abandonment of an existing facility?

Within New York State No

Within Erie County No

If Yes to either question, please, explain

Will the project result in a relocation of an existing business operation from the City of Buffalo?

No

If yes, please explain the factors which require the project occupant to relocate out of the City of Buffalo (For example, present site is not large enough, or owner will not renew leases etc.)

What are some of the key requirements the project occupant is looking for in a new site? (For example, minimum sq. ft., 12 foot ceilings, truck loading docs etc.)

If the project occupant is currently located in Erie County and will be moving to a different municipality within Erie County, has the project occupant attempted to find a suitable location within the municipality in which it is currently located?

No

What factors have lead the project occupant to consider remaining or locating in Erie County?

If the current facility is to be abandoned, what is going to happen to the current facility that project occupant is located in?

Please provide a list of properties considered, and the reason they were not adequate. (Some examples include: site not large enough, layout was not appropriate, did not have adequate utility service, etc.) Please include full address for locations.
