

NOTICE OF PUBLIC HEARING

Pursuant to Article 18-A of NYS General Municipal Law, the Erie County Industrial Development Agency (the "Agency") will hold a public hearing on March 29, 2017 at 9:30 a.m. at the Town of Tonawanda Town Hall located at 2919 Delaware Avenue (Town Board Conference Room #21), Kenmore, NY 14203 regarding:

Sumitomo Rubber USA, LLC, and/or Individual(s) or Affiliate(s), Subsidiary(ies), or Entity(ies) formed or to be formed on its behalf (the "Company"), has submitted an application to the Agency (a copy of which is on file at the office of the Agency) requesting the Agency to undertake a certain project (the "Project") consisting of: (i) a leasehold interest in a parcel of land located at 3333 River Road, Town of Tonawanda, Erie County, New York (the "Land") to be improved thereon with a building addition totaling 35,000+/- SF (the "Improvements") to be utilized for increased tire manufacturing space, and (ii) the acquisition and installation by the Company of certain items of machinery, equipment and other tangible personal property (the "Equipment," and collectively with the Land and the Improvements, the "Facility").

The Agency will acquire a leasehold interest in the Facility and lease the Facility back to the Company. The Company will operate the Facility during the term of the lease. At the end of the lease term, the leasehold interest will be terminated. The Agency contemplates that it will provide financial assistance to the Company for qualifying portions of the Project in the form of sales and use tax exemption benefits and real property tax abatement benefits consistent with the policies of the Agency.

A representative of the Agency will be present at the above-stated time and place to present a copy of the Application and hear and accept written and oral comments from all persons with views in favor of or opposed to the proposed financial assistance. Written comments may be submitted at this public hearing or delivered to the Agency at 95 Perry Street-Suite 403, Buffalo, NY 14203 until the comment period closes on April 25, 2017. The project application is available for public inspection at the Agency's offices Monday through Friday (excluding public holidays) from 9:00 a.m. until 4:00 p.m.

This public hearing is being conducted in accordance with Subdivision 2 of Section 859-a of the New York General Municipal Law.

Describe the present use of the Proposed Project site

Vacant Courtyard

Please provide narrative of the proposed project and the purpose of the proposed project (new build, renovations, and/or equipment purchases). Identify specific uses occurring within the project. Describe any and all tenants and any/all end users: (This information is critical in determining project eligibility)

In line with our Phase I Building Expansion the following summary is presented: Our Expansion for purposes of the Tax Abatement schedule is being divided into Phase I and Phase II. The reason for the Tonawanda Expansion is for increasing our Consumer Tire Capacity from 5,000 per day to 10,000 per day by 2019. Buildings are required to increase our manufacturing footprint and add the following investment. We will be adding new equipment for Mixing, Bead Building, Tire Building, Curing, Finishing, and some minor investment in Extrusion. All improvements are in support of our Consumer Tire Capacity Increase.

If the Project could be undertaken without Financial Assistance provided by the Agency, then provide a statement in the space provided below indicating why the Project should be undertaken by the Agency:

This project is the plan for future growth in North America Tire Business and will allow SRI to strive to be competitive and maintain/expand operations at the Tonawanda Facility.

Describe the reasons why the Agency's Financial Assistance is necessary and how the Financial Assistance enables the company to undertake the Project to facilitate investment, job creation and/or job retention. Focus on competitiveness issues, project shortfalls, etc... Your eligibility determination will be based in part on your answer (attach additional pages if necessary)

For our facility to be improve our competitiveness we need to upgrade our machinery and expand our manufacturing footprint. The current layout of our manufacturing facility is fully developed and therefore we need additional building space for supporting our manufacturing growth plan on target for 2020. The ECIDA is an important piece of our strategy to expand our presence in Erie County. Tax Abatement programs and Sales tax assistance will greatly provide the financial support for as successful Expansion.

Please confirm by checking the box, below, if there is likelihood that the Project would not be undertaken but for the Financial Assistance provided by the Agency

Yes

If the Applicant is unable to obtain Financial Assistance for the Project, what will be the impact on the Applicant and Erie County?

Because we are in a fight for competitiveness in the North American Tire Market each and every avenue of support is being reviewed to ensure that we have accounted for all benefits available to our Phase I Building Expansion Project.

Will project include leasing any equipment?

No

If yes, please describe equipment and lease terms.

Site Characteristics

Will the Project meet zoning/land use requirements at the proposed location?

Yes

Describe the present zoning/land use

Commercial Manufacturing

Describe required zoning/land use, if different

If a change in zoning/land use is required, please provide details/status of any request for change of zoning/land use requirements

Is the proposed Project located on a site where the known or potential presence of contaminants is complicating the development/use of the property?

No

If yes, please explain

Has a Phase I Environmental Assessment been prepared, or will one be prepared with respect to the proposed Project Site?

<BLANK>

If yes, please provide a copy.

Have any other studies, or assessments been undertaken with respect to the proposed Project Site that indicate the known or suspected presence of contamination that would complicate the site's development?

No

If yes, please provide copies of the study.

If you are purchasing new machinery and equipment, does it provide demonstrable energy efficiency benefits?

You may also attach additional information about the machinery and equipment at the end of the application.

Does or will the company or project occupant perform research and development activities on new products/services at the project location?

No

If yes, please explain.

What percentage of annual operating expenses are attributed to the above referenced research and development activities?

Select Project Type for all end users at project site (you may check more than one)

Will customers personally visit the Project site for either of the following economic activities? If yes with respect to either economic activity indicated below, complete the Retail Determination contained in Section IV of the Application.

Please check any and all end uses as identified below.

Retail Sales No **Services** No

For purposes of this question, the term "retail sales" means (i) sales by a registered vendor under Article 28 of the Tax Law of the State of New York (the "Tax Law") primarily engaged in the retail sale of tangible personal property (as defined in Section 1101(b)(4)(i) of the Tax Law), or (ii) sales of a service to customers who personally visit the Project.

If yes, relate all the circumstances

Do the Premises have any asbestos containing materials?

Yes

If yes, please identify the materials

ACM still exists on some piping, window caulk, roof flashing, floor tiles, drywall compound, and cove base adhesives and is encapsulated.

Section VI: Inter-Municipal Move Determination

The Agency is required by state law to make a determination that, if completion of a Project benefiting from Agency Financial Assistance results in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, Agency financial Assistance is required to prevent the project occupant from relocating out of the state, or is reasonably necessary to preserve the project occupant's competitive position in its respective industry.

Will the project result in the removal of an industrial or manufacturing plant of the Project occupant from one area of the state to another area of the state? No

Will the project result in the abandonment of one or more plants or facilities of the Project occupant located within the state? No

If Yes to either question, explain how, notwithstanding the aforementioned closing or activity reduction, the Agency's Financial Assistance is required to prevent the Project from relocating out of the State, or is reasonably necessary to preserve the Project occupant's competitive position in its respective industry:

Does this project involve relocation or consolidation of a project occupant from another municipality or abandonment of an existing facility?

Within New York State No

Within Erie County No

If Yes to either question, please, explain

Will the project result in a relocation of an existing business operation from the City of Buffalo?

No

If yes, please explain the factors which require the project occupant to relocate out of the City of Buffalo (For example, present site is not large enough, or owner will not renew leases etc.)

N/A

What are some of the key requirements the project occupant is looking for in a new site? (For example, minimum sq. ft., 12 foot ceilings, truck loading docs etc.)

N/A

If the project occupant is currently located in Erie County and will be moving to a different municipality within Erie County, has the project occupant attempted to find a suitable location within the municipality in which it is currently located?

<BLANK>

What factors have lead the project occupant to consider remaining or locating in Erie County?

N/A

If the current facility is to be abandoned, what is going to happen to the current facility that project occupant is located in?

N/A

Please provide a list of properties considered, and the reason they were not adequate. (Some examples include: site not large enough, layout was not appropriate, did not have adequate utility service, etc.) Please include full address for locations.

N/A

Section VII: Adaptive Reuse Projects

Are you applying for tax incentives under the Adaptive Reuse Program? No

What is the age of the structure (in years)? 0

Has the structure been vacant or underutilized for a minimum of 3 years? (Underutilized is defined as a minimum of 50% of the rentable square footage of the structure being utilized for a use for which the structure was not designed or intended) No

If vacant, number of years vacant. 0

If underutilized, number of years underutilized. 0

Describe the use of the building during the time it has been underutilized: N/A

Is the structure currently generating insignificant income? (Insignificant income is defined as income that is 50% or less than the market rate income average for that property class) No

If yes, please provide dollar amount of income being generated, if any \$ N/A

Does the site have historical significance? <BLANK>

Are you applying for either State/Federal Historical Tax Credit Programs? No

If yes, provide estimated value of tax credits \$

Briefly summarize the financial obstacles to development that this project faces without ECIDA or other public assistance. Please provide the ECIDA with documentation to support the financial obstacles to development (you will be asked to provide cash flow projections documenting costs, expenses and revenues with and without IDA and other tax credits included indicating below average return on investment rates compared to regional industry averages)
N/A

Briefly summarize the demonstrated support that you intend to receive from local government entities. Please provide ECIDA with documentation of this support in the form of signed letters from these entities

Please indicate other factors that you would like ECIDA to consider such as: structure or site presents significant public safety hazard and or environmental remediation costs, site or structure is located in a distressed census tract, structure presents significant costs associated with building code compliance, site has historical significance, site or structure is presently delinquent in property tax payments
N/A

Section VIII: Senior Citizen Rental Housing Projects

Are you applying for tax incentives under the Senior Rental Housing policy?

No

Has the project received written support from the city, town or village government in which it is located?

<BLANK>

Describe the location of the project as it relates to the project's proximity to the town / village / city center or to a recognized hamlet.

Is the project consistent with the applicable municipal master plan?

<BLANK>

If yes, please provide a narrative identifying the master plan (by name) and describing how the project aligns with the plan details

Does the project advance efforts to create a walkable neighborhood and community in proximity to important local amenities and services?

<BLANK>

If yes, please provide a narrative describing the walkable nature of the project including access seniors would have to specific neighborhood amenities.

Has a market study shown that there is a significant unmet need in the local community or specific neighborhood where seniors are unable to find appropriate housing opportunities?

<BLANK>

Is the project located in an area (defined as a 1 – 5 mile radius of the project site) where there are significant local resident populations that are at or below the median income level?

<BLANK>

If yes, please describe how you made this determination based upon census tract and other relevant third party data.

Does the project provide amenities that are attractive to seniors and differentiates the project from standard market rate housing?

<BLANK>

If yes, please describe these amenities (examples may include: community rooms, social / recreational activity areas, senior-oriented fixtures and safety amenities, security systems, call systems, on site medical services)

Are there impediments that hinder the ability to conventionally finance this project and /or negatively impact the project's return on investment?

<BLANK>

If yes, please briefly summarize the financial obstacles to development that this project faces without IDA or other public assistance. Please provide the IDA with documentation to support the financial obstacles to development (you will be asked to provide cash flow projections documenting costs, expenses and revenues with and without IDA and other tax credits included indicating below average return on investment rates compared to regional industry averages)

Will the project target (and maintain during the incentive period) a minimum 50% occupancy rate of senior citizens whose income is at or below 60-80% of the median income for Erie County?

<BLANK>

If yes, please describe provide a narrative citing key facts that substantiate this finding.

Section IX: Retail Determination

Will any portion of the project (including that portion of the costs to be financed from equity or other sources) consist of facilities or property that are or will be primarily used in making sales of goods or services to customers who personally visit the project site? No

If yes, complete the Retail Questionnaire Supplement below.

What percentage of the cost of the project will be expended on such facilities or property primarily used in making sales of goods or services to customers who personally visit the project? 0 %

If the answer to this is **less than 33%** do not complete the remainder of the page and proceed to the next section (Section V: Inter-Municipal Move Determination).

If the answer to A is Yes AND the answer to Question B is greater than 33.33%, indicate which of the following questions below apply to the project:
