

Buffalo Lakeside Commerce Park Map

Key

- Available Sites
- Ship Canal Commons (Public Park)
- Union Ship Canal (Water)

“Based upon the success of this park [BLCP], the City [of Buffalo] recently acquired the 185-acre former Republic Steel site on the south side of the city. The addition of these high-quality development sites will keep the City Submarket well positioned for future opportunities.”

- CB Richard Ellis, Western New York, Industrial, MarketView, 2007/2008
