Describe the present use of the Proposed Project site

Vacant land on Dick Road in the Town of Cheektowaga.

Please provide narrative of the proposed project and the purpose of the proposed project (new build, renovations, and/or equipment purchases). Identify specific uses occurring within the project. Describe any and all tenants and any/all end users: (This information is critical in determining project eligibility)

Single use tenant - L&W. Build a 45,000 sq.ft warehouse and distribution building on a vacant parcel of land. L&W need to expand due to increase in business in WNY.

If the Project could be undertaken without Financial Assistance provided by the Agency, then provide a statement in the space provided below indicating why the Project should be undertaken by the Agency:

Describe the reasons why the Agency's Financial Assistance is necessary and how the Financial Assistance enables the company to undertake the Project to facilitate investment, job creation and/or job retention. Focus on competitiveness issues, project shortfalls, etc... Your eligibility determination will be based in part on your answer (attach additional pages if necessary)

Column Development will be constructing a new 45,000 sq. ft. facility at 380 Dick Road for lease to L&W Supply Corporation. L&W, d/b/a Building Specialties is a building material supplier with almost all of its sales directly to contractors which products are delivered directly to work sites throughout the area. A small percentage of direct sales (less than 5%) are to people to personally visit the site. L&W currently occupies 26,000 sq.ft. of space at 675 Duke Road, also in the Town of Cheektowaga which facility will be sold. L&W has indicated it could consolidate its operations to one of its other locations and expand to serve this market from outside of Erie County.

Please confirm by checking the box, below, if there is likelihood that the Project would not be undertaken but for the Financial Assistance provided by the Agency

Yes

If the Applicant is unable to obtain Financial Assistance for the Project, what will be the impact on the Applicant and Erie County?

Will project include leasing any equipment?

No

If yes, please describe equipment and lease terms.

Section VI: Inter-Municipal Move Determination

The Agency is required by state law to make a determination that, if completion of a Project benefiting from Agency Financial Assistance results in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, Agency financial Assistance is required to prevent the project occupant from relocating out of the state, or is reasonably necessary to preserve the project occupant's competitive position in its respective industry.

Will the project result in the removal of an industrial or manufacturing plant of the Project occupant from one area of the state to another area of the state? Yes

Will the project result in the abandonment of one or more plants or facilities of the Project occupant located within the state? Yes

If Yes to either question, explain how, notwithstanding the aforementioned closing or activity reduction, the Agency's Financial Assistance is required to prevent the Project from relocating out of the State, or is reasonably necessary to preserve the Project occupant's competitive position in its respective industry:

this facility can be moved to Niagara county or consolidated with their Monroe County facility

Does this project involve relocation or consolidation of a project occupant from another municipality or abandonment of an existing facility?

Within New York State No

Within Erie County No

If Yes to either question, please, explain

Will the project result in a relocation of an existing business operation from the City of Buffalo?

No

If yes, please explain the factors which require the project occupant to relocate out of the City of Buffalo (For example, present site is not large enough, or owner will not renew leases etc.)

What are some of the key requirements the project occupant is looking for in a new site? (For example, minimum sq. ft., 12 foot ceilings, truck loading docs etc.)

high ceilings 21 ft, loading docks, turn around area

If the project occupant is currently located in Erie County and will be moving to a different municipality within Erie County, has the project occupant attempted to find a suitable location within the municipality in which it is currently located?

<BLANK>

What factors have lead the project occupant to consider remaining or locating in Erie County?

new, updated facility

If the current facility is to be abandoned, what is going to happen to the current facility that project occupant is located in?

will be sold, buyers waiting

Please provide a list of properties considered, and the reason they were not adequate. (Some examples include: site not large enough, layout was not appropriate, did not have adequate utility service, etc.) Please include full address for locations.
