The Company purchased an adjacent parcel of land from the Town of Tonawanda on November 26, 2014, which will be given a new SBL No. and included in the project. A new SBL # will be given on the consolidated parcel; and

WHEREAS, in order to induce the Company to acquire, construct and equip the Facility, the Agency is willing to take a leasehold interest in the land, improvements and personal property constituting the Facility and lease said land, improvements and personal property back to the Company pursuant to the terms and conditions of a certain Leaseback Agreement to be dated on or about the date hereof (the "Leaseback Agreement"); and

WHEREAS, the Agency and the Company have entered into an Agent and Financial Assistance Agreement, dated as of March 28, 2014, as amended and restated pursuant to an Amended and Restated Agent and Financial Assistance Agreement, dated as of August 7, 2014 (the "Financial Assistance Agreement"), pursuant to which the Agency has the right to recapture and/or terminate certain economic benefits and assistance granted to the Company upon the terms and conditions set forth in the Financial Assistance Agreement; and

WHEREAS, pursuant to Section 874(1) of the Act, the Agency is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its jurisdiction, control or supervision, other than special ad valorem levies, special assessments and service charges against real property which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Agency and the Company deem it necessary and proper to enter into an agreement making provisions for payments in lieu of taxes by the Company to the Agency for the benefit of Erie County (the "County"), the Town of Tonawanda (the "Town"), and Kenmore-Town of Tonawanda Union Free School District (hereinafter the "School District" or "School" and, collectively with the County and the Town, the "Affected Tax Jurisdictions").

NOW, THEREFORE, this PILOT Agreement is for making by the Company of certain payments in lieu of real estate taxes, as required by the Leaseback Agreement, by which the Agency has leased certain premises to the Company. The Agency and the Company each accept and agree to the following statements or terms:

Section 1. Agency Tax Exemption. Subject to the completion and filing of a Form RP-412-a, Application for Real Property Tax Exemption (the "RP-412-a"), by the Taxable Status Date of March 1, 2015 (the "Taxable Status Date"), and the approval of the RP-412-a by the Assessor, the Project shall be exempt from real estate taxes commencing with the:

- (a) 2017 tax fiscal year of the County,
- (b) 2017 tax fiscal year of the Town, and
- (c) 2016-2017 tax fiscal year of the School District.

Prior to the 2017 County and Town tax bills and 2016-2017 School District tax fiscal years, the Company shall make payments in lieu of taxes as if the Company owned the Facility and the Agency had no interest in the Facility. This PILOT Agreement shall expire on December 31, 2026; *provided, however*, the Company shall pay the 2027 County and Town tax bills, and the 2026-2027 School District tax bill, on the dates and in the amounts as if the Agency did not have an interest in the Project on the tax status date with respect to said tax years. The Company shall provide the Agency with all information required to complete the RP-412-a and shall provide such additional information and take such actions as are required by the Assessor in order to process and approve the RP-412-a Application. In the event the exemption from real estate taxes is denied for any reason, the Company agrees to pay all real estate taxes levied upon the Project as they become due. To the extent permitted by law, the Company shall have the right to protest such denial subject, however, to the conditions set forth in Section 8.1 of the Leaseback Agreement. The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company arising from the denial of an exemption from real estate taxes except to the extent that such denial results solely from the failure of the Agency to file the RP-412-a with the Assessor by the Taxable Status Date.

Section 2. Obligation of the Company to Make Payments in Lieu of Taxes. Subject to the approval of the RP-412-a, the Agency shall require, and the Company agrees to make,

payments in lieu of real estate taxes to the appropriate taxing authorities pursuant to the terms of this PILOT Agreement.

Section 3. Taxing Authorities and Amounts.

(1) Until the commencement of the tax fiscal years set forth in subparagraph (2) below, the Company shall continue to pay all appropriate taxing authorities all taxes due as if the Agency did not have an interest in the Project. As set forth below, the total payments in lieu of taxes required under this PILOT Agreement are allocated among the Affected Tax Jurisdictions in proportion to the amount of real property tax and other taxes which would have been received by each Affected Tax Jurisdiction had the Project not been tax exempt due to the status of the Agency. Thereafter, the Company shall make payments in lieu of taxes to all appropriate taxing authorities on the land and buildings constituting the Project, in accordance with this section. For each taxing authority, such payments in lieu of taxes shall have a land component and a variable component. The land component shall be based upon the then current tax rate for the then current tax fiscal year applied against the then current assessed valuation of the non-depreciable portion of all tax parcels comprising the Project (assessed as land). The variable component shall be based upon the then current tax rate applied against a variable portion of the then current assessed valuation of the depreciable portion (assessed as buildings or other improvements) of all tax parcels comprising the Project.

(2) For the periods of time indicated below, the Company shall make the indicated payments in lieu of taxes to the indicated taxing authorities:

(a) County PILOT Payments. Payments in lieu of general levy real estate taxes to the County for each of the tax fiscal years 2017 through 2026, or until termination of the Leaseback Agreement, whichever date occurs first, shall be in an amount equal to the County Land PILOT Payment plus the County Variable PILOT Payment (as such terms are defined below) for each such tax fiscal year. The County Land PILOT Payment for each tax fiscal year shall be an amount equal to the County tax rate then in effect for such tax fiscal year, applied against the non-depreciable portion of all tax parcels comprising the Project (assessed as land). The County Variable PILOT Payment for each tax fiscal year shall be an amount equal to the County tax rate in effect for such tax fiscal year, applied to the product of (i) the then current assessed valuation of the depreciable portion (assessed as buildings or other improvements) of all tax parcels comprising the Project, and (ii) the payment factor applicable to such tax fiscal year as shown on Schedule A attached hereto and made a part hereof. Each such payment shall be delivered to County of Erie, Room 100, 95 Franklin Street, Buffalo, NY 14202, or such other place as may be designated from time to time by the County. Payments for each tax fiscal year must be made by February 15 of that year, or such payment shall be considered delinquent.

(b) Town PILOT Payments. Payments in lieu of general levy real estate taxes to the Town for each of the tax fiscal years 2017 through 2026, or until termination of the Leaseback Agreement, whichever date occurs first, shall be in an amount equal to the Town Land PILOT Payment plus the Town Variable PILOT Payment (as such terms are defined below) for each such tax fiscal year. The Town Land PILOT Payment for each tax fiscal year shall be an amount equal to the Town tax rate then in effect for such tax fiscal year, applied

against the non-depreciable portion of all tax parcels comprising the Project (assessed as land). The Town Variable PILOT Payment for each tax fiscal year shall be an amount equal to the Town tax rate in effect for such tax fiscal year, applied to the product of (i) the then current assessed valuation of the depreciable portion (assessed as buildings or other improvements) of all tax parcels comprising the Project, and (ii) the payment factor applicable to such tax fiscal year as shown on Schedule A attached hereto and made a part hereof. Each such payment shall be delivered to the Town of Tonawanda, Attn: Town Assessor, or such other place as may be designated from time to time by the Town. Payments for each tax fiscal year must be made by February 15 of that year, or such payment shall be considered delinquent.

(c) School District PILOT Payments. Payments in lieu of general levy real estate taxes for the School District for each of the tax fiscal years 2016-2017 through 2025-2026, or until termination of the Leaseback Agreement, whichever date occurs first, shall be in an amount equal to the School District Land PILOT Payment plus the School District Variable PILOT Payment (as such terms are defined below) for each such tax fiscal year. The School District Land PILOT Payment for each tax fiscal year shall be an amount equal to the School District tax rate then in effect for such tax fiscal year, applied against the non-depreciable portion of all tax parcels comprising the Project (assessed as land). The School District Variable PILOT Payment for each tax fiscal year shall be an amount equal to the School District tax rate in effect for such tax fiscal year applied to the product of (i) the then current assessed valuation of the depreciable portion (assessed as buildings or other improvements) of all tax parcels comprising the Project, and (ii) the payment factor applicable to such tax fiscal year as shown on Schedule A attached hereto and made a part hereof. Each such payment shall be delivered to the School District Business Office, or such other place as may be designated from time to time by the School District. Payments for each tax fiscal year must be made one half by July 31 of that year and one half by December 31 (unless otherwise required by the School District), or such payments shall be considered delinquent.

(d) In addition to the foregoing, the Company shall pay all special district charges, special assessments and special ad valorem levies (specifically including but not limited to any fire district charges or "curb charges"), and pure water charges and sewer charges that are levied against the Project in accordance with normal billing practices as if the Agency did not have an interest in the Project.

(3) Valuation of Future Additions to the Facility - If there shall be a future addition to the Facility constructed or added in any manner after the date of this PILOT Agreement, the Company shall notify the Agency of such future addition ("Future Addition"). The notice to the Agency shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Agency may thereafter request. Provided the Agency has not otherwise duly authorized the provision of a new real property tax abatement with respect to such Future Addition, then, upon the earlier of substantial completion, or the issuance of a certificate of occupancy for any such Future Addition to the Facility, the Company shall become liable for payment of an increase in the total payments in lieu of taxes payable under this PILOT Agreement ("Total PILOT Payment"). The Agency shall notify the Company of any proposed increase in the Total PILOT Payment related to such Future Addition. If the Company shall disagree with the determination of assessed value for any Future Additions made by the Town, then and in that event that valuation shall be fixed by a court of competent jurisdiction.

Notwithstanding any disagreement between the Company and the Agency, the Company shall pay the increased PILOT payment until a different Total PILOT Payment shall be established. If a lesser Total Annual Payment is determined in any proceeding or by subsequent agreement of the parties, the Total PILOT Payment shall be re-computed and any excess payment shall either be refunded or, at the Company sole discretion, applied as a credit against the next succeeding PILOT payment(s).

(4) The payments required under Paragraph (2) of this section shall in no event be more than would be otherwise payable as taxes if the Agency did not have an interest in the Project.

(5) Upon the termination of the periods shown in Paragraph (2) of this section, for the respective taxing authorities, the Company shall make full payment in lieu of all taxes on the Project as if the Agency did not have an interest in the Project.

Section 4. Proration and Transfer of Facility.

(1) During the last year of the term of the Leaseback Agreement the Company may prorate any of its payments in lieu of taxes on the basis of the actual period during which the Agency has an interest in the Project so that there shall exist no period of time for which the Company is obliged to make payments in lieu of taxes in addition to the actual tax payments to which the Project is subject, under current law, at the time the Agency's interest in the Project is terminated.

(2) In the event that the Facility is transferred from the Agency to the Company (the lease/leaseback agreements are terminated), and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Tax Jurisdictions in excess of the payment described in Section 3 herein, or this Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

Section 5. Obligations and Rights of the Company in Relation to Tax Assessments and Levies.

(1) Subject to the provisions of the Leaseback Agreement, the Company in cooperation with the Agency shall:

(a) cause the appropriate real estate tax assessment office and tax levy officers to assess the Project and apply tax rates to the respective assessments as if the Agency did not have an interest in the Project;

(b) cause the appropriate real estate tax assessment office and tax levy officers to submit to the Company, when the respective types of taxes are levied on privately owned

property, statements specifying the respective amounts and due dates of taxes involved in this PILOT Agreement which the appropriate taxing authorities would receive if the Agency did not have an interest in such property; and

(c) file any accounts or tax returns required with the appropriate real estate tax assessment office and tax levy officers.

(2) The payments the Company is required to make under this PILOT Agreement are subject to the Company's rights, hereby granted, (a) to have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company were the owner of the Project, with respect to any proposed assessment or change in assessment with respect to the Project by any of the Affected Tax Jurisdictions, (b) to seek to obtain refunds of any such payments made including payments made pursuant to this PILOT Agreement, (c) likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein, and (d) the Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special benefit, ad valorem levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this PILOT Agreement, as if and to the same extent as if the Company were the owner of the Project and the Agency had no interest therein. The Agency shall join in any procedure for obtaining relief under this paragraph to the extent that the Agency's consent is required for the Company to undertake such procedure; provided, however, that the Company shall continue to make the payments in lieu of taxes required by this PILOT Agreement adjusted for any reduction as provided above so long as the Leaseback Agreement shall remain in effect.

Section 6. Effect of Fulfillment of the Requirement and Recapture. Once having paid the amounts required by this PILOT Agreement, the Company shall not be required to pay any real estate taxes for which payments in lieu of taxes have been made. Notwithstanding the foregoing, in the event that the Agency shall determine (i) that the Company has submitted an application, or documentation in support of an application, which contained a false or intentionally misleading statement as to any fact which is material to the Company's application for benefits or which omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, and (ii) that such false or misleading statement or omission was made knowingly and intentionally for the purpose of obtaining financial assistance, then the Company shall forfeit any future tax exemptions or abatements and shall be required to pay to the appropriate taxing authority the amount of any real property, mortgage or sales tax abatements or exemptions received. The amount of benefits recaptured shall be: (i) for real property taxes, the difference between the amount of payment in lieu of taxes paid and the amount that would have been paid in real estate taxes if the Agency did not have an interest in the project; (ii) for sales taxes, the value of the sales tax exemption received and (iii) for the mortgage tax, the value of any mortgage recording tax for which an exemption was granted. In addition, and notwithstanding the foregoing, the Company recognizes and agrees that if at any time it fails to obtain and/or maintain any or all of the material terms and conditions as so defined in the Financial Assistance Agreement, the Agency then may require the Company to pay to the Agency certain amounts with respect to any or all sales and use tax exemption benefits, mortgage recording tax

exemption benefits, and/or real property tax abatement benefits as so described therein, and the Agency may, in addition, elect to terminate any such sales and use tax exemption benefits, mortgage recording tax exemption benefits, and/or real property tax abatement benefits going forward.

Section 7. Events of Default.

(1) The following shall constitute "Event(s) of Default" hereunder:

(a) The failure by the Company to (i) make any such payments in lieu of taxes when due, whether for a full tax fiscal year or years or for a portion of a tax fiscal year pursuant to Sections 2 or 3 hereof within thirty (30) days of the payment due date (the "Delinquency Date"), whereupon the amount or amounts so in default shall continue as an obligation of the Company until fully paid; or (ii) make any other payments described herein on or before the last day of any applicable cure period within which said payment can be made without penalty; or

(b) The occurrence and continuance of any events of default under the Leaseback Agreement and/or the Financial Assistance Agreement after the expiration of any applicable cure periods.

(2) Upon the occurrence of any Event of Default hereunder, in addition to any other right or remedy the Agency and/or the Affected Tax Jurisdictions may have at law or in equity, the Agency and/or Affected Tax Jurisdictions may, immediately and without further notice to the Company (but with notice to the Agency with respect to actions maintained by the Affected Tax Jurisdictions) pursue any action in the courts to enforce payment or to otherwise recover directly from the Company any amounts so in default.

(3) In addition, if payments pursuant to this PILOT Agreement are not made by the Delinquency Dates, or if any other payment required to be made hereunder is not made by the last day of any applicable cure period within which said payment can be made without penalty, the Company shall pay penalties and interest as set forth herein. With respect to payments to be made pursuant to Section 3 herein, if said payment is not received by the Delinquency Date defined above, Company shall pay, in addition to said payment, (i) a late payment penalty equal to five percent (5%) of the amount due and (ii) for each month, or any part thereof, that any such payment is delinquent beyond the first month, interest on the total amount due plus the late payment penalty, in an amount equal to one percent (1%) per month. With respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, Company shall pay, in addition to said payment, the greater of the applicable penalties and interest or penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Tax Jurisdictions. The Agency and the Company hereby acknowledge the right of the Affected Tax Jurisdictions to recover directly from the Company any amounts so in default pursuant to General Municipal Law § 874(6). The Company shall promptly notify the Agency of any action brought, or other measure taken, by taxing authority to recover such amounts. It is understood that the right of any taxing authority herein acknowledged is in addition to, and shall not impair, the Agency's own rights arising from a breach of this PILOT

Agreement. Should the Agency or the Town or the County or the School District commence any action to recover directly from the Company any amounts so in default, such parties shall be entitled to recover from the Company the amount due, the late payment penalty, interest, expenses, costs and disbursements, together with the reasonable attorneys' fees necessary to prosecute such action or proceeding.

(4) If the Project is not being used in accordance with the Act or the Leaseback Agreement, or if an Event of Default occurs, the Company shall make payments in lieu of taxes on the Project in such amounts as would be payable as real estate taxes levied on the Project if the Agency did not have an interest in the Project. The applicable tax assessment and tax levy rates shall be those in effect in the records of the appropriate taxing authorities.

(5) The period for the payments required by Paragraph (4) of this section shall commence on the date the Agency determines (a) that the use of the Project under the Act or the Leaseback Agreement is not being complied with, or (b) that an Event of Default has occurred and is continuing.

Section 8. Survival of the Company's Obligations. The obligations of the Company under this PILOT Agreement shall survive the termination or expiration of the Leaseback Agreement, for whatever reason terminated or expired.

Section 9. Assignment.

No portion of any interest in this Agreement may be assigned by the Company, nor shall any person other than the Company be entitled to succeed to or otherwise obtain any benefits of the Company hereunder without the prior written consent of the Agency, which shall not be unreasonably withheld or delayed.

Section 10. Miscellaneous.

(1) This Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument.

(2) All notices, claims and other communications hereunder shall be in writing and shall be deemed to be duly given if personally delivered or mailed first class, postage prepaid, or by nationally-recognized overnight courier, as follows:

(4) To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

(5) Notwithstanding any other term or condition contained herein, all obligations of the Agency hereunder shall constitute a special obligation payable solely from the revenues and other monies, if any, derived from the Facility and paid to the Agency by the Company. Neither members of the Agency nor any person executing this Agreement on its behalf shall be liable personally under this Agreement. No recourse shall be had for the payment of the principal or interest on amounts due hereunder or for any claim based upon or in respect of any modification of or supplement hereto against any past, present or future member, officer, agent, servant, or employee, as such, of the Agency, or of any successor or political subdivision, either directly or through the Agency or any such successor, all such liability of such members, officer, agents, servants and employees being, to the extent permitted by law, expressly waived and released by the acceptance hereof and as part of the consideration for the execution of this Agreement.
