WITNESSETH:

WHEREAS, the Agency was created by Chapter 293 of the Laws of 1970 of the State of New York pursuant to Title 1 of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, by Resolution adopted on March 22, 2017 (the "Resolution"), the Agency authorized the Company to act as its agent for the purposes of undertaking the Project subject to the Company entering into this Agent Agreement, and pursuant to the Resolution and this Agent Agreement, the Company has the power to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses including but not limited to the individuals and entities described on Schedule A attached hereto (collectively, the "Subagent"). The Company shall have the right to amend Schedule A from time to time and shall be responsible for maintaining an accurate list of all parties acting as agent for the Agency; and

WHEREAS, by its Resolution, the Agency has conferred on the Company in connection with the Project certain benefits, exemptions and other financial assistance consisting of: (a) an exemption benefit from all New York State and local sales and use tax exemption benefits for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the acquisition, construction or equipping of the Facility and (b) a partial abatement from real property taxes benefit through a ten (10) year "payment in lieu of tax agreement" (the "PILOT Agreement") with the Company for the benefit of each municipality and school district having taxing jurisdiction over the Project, (collectively, the sales and use tax exemption benefit and the partial abatement from real property taxes benefit, are hereinafter collectively referred to as the "Financial Assistance"); and

WHEREAS, the Agency requires, as a condition and as an inducement for it to provide said Financial Assistance, that the Company provides assurances with respect to the recapture of said Financial Assistance on the terms herein set forth; and

WHEREAS, this Agreement sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; and

WHEREAS, no agent status in favor of the Company or any subagent thereof, nor any amount of Financial Assistance shall be provided to the Company by the Agency prior to the effective date of this Agent Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. Purpose of Project and Scope of Agency. The purpose of the Agency's provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project to advance job opportunities, health, general prosperity and economic welfare of the people of Erie County, and to specifically promote the investment commitment, employment commitment, local labor commitment, equal pay commitment, and the unpaid real property tax policy commitment all as contained herein and within the Company's Application.

Pursuant to the Resolution, the Agency has appointed the Company as agent to undertake the Project, as defined herein and within the Resolution. The Company hereby agrees to limit its activities as agent for the Agency under the authority of the Resolution to acts reasonably related to the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation thereof in and around the Facility. Pursuant to the Resolution and this Agent Agreement, the Company has the power to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses including but not limited to the individuals and entities described on Schedule A attached hereto (collectively, the "Subagent"). The Company shall have the right to amend Schedule A from time to time and shall be responsible for maintaining an accurate list of all parties acting as agent for the Agency. The Company's right to appoint subagents is expressly conditioned upon updating of Schedule A, hereto, along with the timely filing of Form ST-60 (non-primary) for each subagent, with such updated Schedule A and a copy of and proof of filing of such ST-60 (non-primary) being immediately filed with the Agency. The right of the Company and all duly appointed subagents to act as agent of the Agency shall expire on **December 31, 2019**, unless extended as contemplated by the Resolution. The aggregate amount of work performed by the Company and all subagents as agent for the Agency shall not exceed the amounts identified in the Resolution and Section 2(h) of this Agreement.

All contracts entered into by the Company and all subagents thereof as agent for the Agency shall include the language contained within Schedule B, hereto. Failure by the Company and/or any subagent thereof to include such language shall disqualify the agent status and sales tax exemptions derived by virtue of this Agent Agreement. The Company, for itself and on

behalf of all duly appointed subagents, hereby agrees that all contracts entered into by the Company and any subagents thereof shall be available to the Agency for inspection and confirmation of the foregoing mandatory language.

2. Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project/Facility:

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of New York, has the authority to enter into this Agent Agreement, and has duly authorized the execution and delivery of this Agent Agreement.

(b) Neither the execution and delivery of this Agent Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Agent Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform with all applicable zoning, planning, and building laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Agency harmless from any liability or expenses resulting from any failure by the Company to comply with the provisions of this subsection (c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill its obligations under this Agent Agreement.

(e) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) that the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated, or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors, and assigns from and against any and all claims, demands, damages,

costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand.

(f) Any personal property acquired by the Company in the name of the Agency shall be located in the Town of Elma, except for temporary periods during ordinary use.

(g) In accordance with Section 874 and 875 of the New York General Municipal Law, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to a Recapture Event Determination (as hereinafter defined) resulting in the potential modification, recapture and/or termination of any and all Financial Assistance, as described herein, if the Company receives, or any duly appointed subagents receives any Financial Assistance from the Agency, and it is determined by the Agency, or Agency staff, as appropriate, that:

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(2) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or

(3) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Company has made a material false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(5) the Company fails to meet and maintain the thresholds and requirements representing certain material terms and conditions required by the Agency to be complied with and adhered to, as evidenced by submission, as so required by the Agency, of written confirmation certifying and confirming on an annual basis beginning in the first year in which Financial Assistance is so claimed, through the termination of the PILOT Agreement (said time period so referenced being hereinafter defined as the "Material Terms and Conditions Monitoring Period") confirming:

(a) Investment Commitment - that the total investment actually made with respect to the Project at the Project's construction completion date equals or exceeds \$27,710,000.00 (which represents the product of 85% multiplied by \$32,600,000.00 being the total project cost as stated in the Company's application for Financial Assistance); and

(b) Employment Commitment - that there are at least 251 existing full time equivalent ("FTE") employees located at, or to be located at, the Facility as

stated in the Company's application for Financial Assistance (the "Baseline FTE") and specifically confirming:

- the number of current FTE employees in the then current year at the Facility; and
- that, within two (2) years following Project completion, the Company has maintained and created FTE employment at the Facility equal to 287 FTE employees, representing the sum of 251 Baseline FTE plus 36 [representing the product of 85% multiplied by 42 (being the total number of new FTE employee positions as proposed to be created by the Company as stated in the Company's application for Financial Assistance)]. In an effort to confirm and verify the Company's employment numbers, the Agency requires that, at a minimum, the Company provide employment data to the Agency on a quarterly basis, said information to be provided on the Agency's "Quarterly Employment Survey" form to be made available to the Company by the Agency. In order to certify and verify the foregoing the Company shall provide to the Agency, a certified statement and documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the project location, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. Exhibit F contains the form of annual certification as so required.

(c) Local Labor Commitment - that the Company adheres to and undertakes or has undertaken construction activities in compliance with the Agency's Local Labor Workforce Certification Policy and Local Labor Reporting Requirements on a quarterly reporting basis during the construction period (Exhibit D); and

(d) Equal Pay Commitment - that the Company adheres to and undertakes or has undertaken activities in compliance with the Agency's Pay Equity Policy; and

(e) Unpaid Real Property Tax Policy Commitment – that the Company is compliant with the Agency's Unpaid Real Property Tax Policy.

The findings made by the Agency, or Agency staff, as appropriate, with respect to Section 2(g)(1), (2), (3) and/or (4) and/or failure to provide the written confirmation as required

by Section 2(g)(5) with respect to the thresholds and requirements as identified in Section 2(g)(5), above, and/or failure to meet the thresholds and requirements as identified in Section 2(g)(5) above, may potentially be determined by the Agency, in accordance with the Agency's "Policy for Termination and/or Modification of Agency Financial Assistance and Recapture of Agency Financial Assistance Previously Granted", or by Agency Staff, as appropriate, to constitute a failure to comply with Section 875(3) of the New York General Municipal Law, and/or a failure to comply with a material term or condition to use property or services or Agency Financial Assistance in the manner approved by the Agency in connection with the Project, and/or a failure to comply with the Agency's policies and Resolution (collectively, findings and determinations made as described herein with respect to Section 2(g)(1), (2), (3) and/or (4) and/or the failure under Section 2(g)(5) to submit the required certification and/or the failure to meet the required thresholds and requirements as specified in Section 2(g)(5) are hereby defined as a "Recapture Event Determination"). If the Agency makes a Recapture Event Determination, or notwithstanding anything contained herein to the contrary, Agency staff makes a finding with respect to Section 2(g)(1), (2), or (3) above, and/or Agency staff determines that the Company has closed the Project or has failed to operate the Project as contemplated by the Application and the Resolution, then the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any and all Financial Assistance obtained by the Company and (ii) promptly pay over any such amounts to the Agency that the Agency demands in connection therewith. The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner and/or Erie County Comptroller may assess and determine the Financial Assistance due from the Company, together with any relevant penalties and interest due on such amounts.

(h) In accordance with the Resolution, the Application, and the cost-benefit analysis, the Company further: (i) covenants that the purchase of goods and services relating to the Project and subject to New York State and local sales and use taxes shall be in an amount estimated up to \$18,000,000.00, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency, subject to Section 2(g) of this Agent Agreement, cannot exceed \$1,575,000.00; and (ii) confirms that real property tax abatement benefits to be provided to the Company over the term of the PILOT Agreement, said PILOT Agreement attached hereto as Exhibit G if executed or to be attached hereto as Exhibit G immediately upon its execution, are estimated to be approximately \$2,000,000.00.

(i) The Company acknowledges and understands that a Recapture Event Determination made with respect to Section 2(g)(4) of this Agent Agreement will, in addition, immediately result in the loss and forfeiture of the Company's right and ability to obtain any and all future Financial Assistance with respect to the Project.

(j) The Company further covenants and agrees to complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60), in the form attached hereto as Exhibit A, for each Subagent, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(k) The Company acknowledges and agrees that all purchases made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123, a copy of which is attached hereto as Exhibits B-1 and B-2), and it shall be the responsibility of the Company (and not the Agency) to complete NYS Form ST-123. The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill or invoice should state, "I, [NAME OF COMPANY OR SUBAGENT], certify that I am a duly appointed agent of the ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY and that I am purchasing the tangible personal property or services for use in the MOOG, INC. Project located at 400 Jamison Road (Plants 1 and 3), Elma, New York 14059, IDA Project Number "1404-17-05A". For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as Exhibit B-3) can be utilized for record keeping purposes.

(l) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as Exhibit C) regarding the value of sales and use tax exemptions the Company and its Subagents, if any, have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with General Municipal Law Section 874(8). The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Agency; provided, however, in no event later than February 15th of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of the Company's authority to act as agent for the Agency.

(m) The Company further covenants and agrees to submit to the Agency a Local Labor Utilization Report, which is attached hereto as Exhibit D, on a quarterly basis within ten (10) business days of each quarter end during the construction period. This report represents verification that the Company and its Subagents, if any, adheres to and undertakes or has undertaken construction activities in compliance with the Agency's Local Labor Workforce Certification Policy and Local Labor Reporting Requirements.

(n) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

(o) The Company covenants and agrees that at all times during the Material Terms and Conditions Monitoring Period, it will (i) maintain its existence, continue to operate the Project as contemplated by the Application and the Resolution and not dissolve, (ii) continue to be a corporation subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets except this Agreement may be

assigned to a Related Person of the Company (as that term is defined in subparagraph (C) of paragraph three of subsection (b) of section four hundred sixty-five of the Internal Revenue Code of 1986, as amended, hereinafter "Related Person") without the receipt of the Agency's prior written consent and provided such assignee/successor entity shall reaffirm the Company's obligation's hereunder, and (iv) not consolidate with or merge into another entity or permit one or more entities to consolidate with or merge into it except upon receipt of the Agency's prior written consent and unless such merged or combined entity shall reaffirm the Company's obligation's hereunder. Granting or withholding of the Agency's consent shall be in the sole discretion of the Agency. A transfer in excess of 50% of the equity voting interests of the Company, other than to a Related Person of the Company, shall be deemed an assignment and require the prior written consent of the Agency.

(p) The Company confirms and acknowledges under the penalty of perjury that as of the date hereof, the Company, as owner, occupant, or operator of the Project receiving Financial Assistance from the Agency in connection with the Project, is in substantial compliance with all applicable local, state and federal tax, worker protection and environmental laws, rules and regulations. The Company further agrees that it will, throughout the term of this Agent Agreement, promptly comply in all material respects with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all federal, state, county, municipal and other governments, departments, commissions, boards, companies or associations insuring the premises, courts, authorities, officials and officers, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof, or to any use, manner of use or condition of the Facility or any part thereof. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2(p). In such event, the Company, with the prior written consent of the Agency (which shall not be unreasonably conditioned, delayed or withheld) may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency shall notify the Company that it must comply with such requirement or requirements.

3. Hold Harmless Provision. The Company hereby releases the Agency from, agrees that the Agency shall not be liable for, and agrees to indemnify, defend and hold the Agency and its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns harmless from and against, any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence on, in or about the Facility or breach by the Company of this Agent Agreement or (ii) liability arising from or expense incurred by the Agency's financing, acquiring, constructing, rehabilitating, renovating, equipping, owning and leasing of the Equipment or of the Facility, including without limiting the generality of the foregoing, all causes of action and reasonable attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its respective executive director, directors, members, officers, agents or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative

or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct or gross negligence on the part of the Agency or any other person or entity to be indemnified.

Instructions

Filing requirements

An IDA must file this form within 30 days of the date the IDA appoints any project operator or other person as agent of the IDA, for purposes of extending any sales and compensating use tax exemptions.

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA need not file this form if the IDA does not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, the IDA must, within 30 days of the change, file a new form with the new information.

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA must, within 30 days, send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. It should attach to the letter a copy of the form it originally filed. The IDA need not send a letter for a form that is not valid merely because the "Completion date of project" has passed.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Privacy notification

This information will be used to determine and administer tax liabilities and, when authorized by law, for certain tax offset and exchange of tax information programs as well as for any other lawful purpose.

Information concerning quarterly wages paid to employees is provided to certain state agencies for purposes of fraud prevention, support enforcement, evaluation of the effectiveness of certain employment and training programs and other purposes authorized by law.

Instructions

General information

Who must file?

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person **directly** appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operator(s) directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operator(s) should **not** themselves file Form ST-340. However, the agent/project operator(s) must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

What must be reported?

The report must show the **total value of all state and local sales and use taxes exempted** during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions obtained by the agent/project operator; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

The report requires only the **total combined** exemptions obtained by the above people. A break down of the total is not required. However, since the report must include the value of the exemptions they obtained, the agent/project operator must keep records of the amounts others report to the agent/project operator.

It is important that the agent/project operator make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available so that the agent/project operator can comply with the annual reporting requirements.

Do not include in this report the amount of any sales and use tax exemptions arising out of other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

See instructions below for additional information required.

When is the report due?

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

NOW, THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section 1. Agency Tax Exemption. Subject to the completion and filing of a Form RP-412-a, Application for Real Property Tax Exemption (the "RP-412-a"), by the Taxable Status Date of **March 1, 2020** (the "Taxable Status Date"), and the approval of the RP-412-a by the Assessor, the Project shall be exempt from real estate taxes commencing with the:

- (a) 2021 tax fiscal year of the County,
- (b) 2021 tax fiscal year of the Town, and
- (c) 2020-2021 tax fiscal year of the School District.

This PILOT Agreement shall expire on December 31, 2030; *provided, however*, the Company shall pay the 2031 County, the 2031 Town, and the 2030-2031 School District tax bills on the dates and in the amounts as if the Agency were not in leasehold on the tax status date with respect to said tax years. The Company shall provide the Agency with all information required to complete the RP-412-a Application and shall provide such additional information and take such actions as are required by the Assessor in order to process and approve the RP-412-a Application. In the event the exemption from real estate taxes is denied for any reason, the Company agrees to pay all real estate taxes levied upon the Project as they become due. To the extent permitted by law, the Company shall have the right to protest such denial subject, however, to the conditions set forth in Section 8.1 of the Leaseback Agreement. The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company arising from the denial of an exemption from real estate taxes except to the extent that such denial results solely from the failure of the Agency to file the RP-412-a Application with the Assessor by the Taxable Status Date.

Section 2. Obligation of the Company to Make Payments in Lieu of Taxes. Subject to the approval of the RP-412-a Application, the Agency shall require, and the Company agrees to make, payments in lieu of real estate taxes to the appropriate taxing authorities pursuant to the terms of this PILOT Agreement.

Section 3. Taxing Authorities and Amounts.

(1) Until the commencement of the tax fiscal years set forth in subparagraph (2) below, the Company shall continue to pay all appropriate taxing authorities all taxes due as if the Agency did not have an interest in the Project. As set forth below, the total payments in lieu of taxes required under this PILOT Agreement are allocated among the affected tax jurisdictions in proportion to the amount of real property tax and other taxes which would have been received by each affected tax jurisdiction had the Project not been tax exempt due to the status of the Agency. Thereafter, the Company shall make payments in lieu of taxes to all appropriate taxing authorities in accordance with this section. For each taxing authority, such payments in lieu of taxes shall have a land component and a variable component.

- (a) The land component ("Land Component") shall be equal to the product of:

- (i) The then current tax rate for the then current tax fiscal year,

The County Land Component Payment for each tax fiscal year shall be in an amount equal to the County Tax rate then in effect for such tax fiscal year, applied against the then current assessed valuation that is to be determined by the Assessor of the Town of Elma of the non-depreciable portion of all tax parcels constituting the Project (assessed as land). The County Variable Component Payment for each tax fiscal year shall be an amount equal to the County Tax rate then in effect for such tax fiscal year, applied to the product of (i) the then current assessed valuation that is to be determined by the Assessor of the Town of Elma of the depreciable portion of all tax parcels constituting the Project (assessed as buildings or other improvements) and (ii) the payment factor applicable to such tax fiscal year as shown on Schedule A attached hereto and made a part hereof. Each such payment shall be delivered to Erie County Dept. of R.P.T.S., 95 Franklin Street, Room 100, Buffalo, NY 14202, or such other place as may be designated from time to time by the County. Each such payment shall be delivered to the Town of Elma or such other place as may be designated from time to time by the Town. Payments for each tax fiscal year must be made by February 15 of that year, or such payment shall be considered delinquent.

(c) School District Payments. Payments in lieu of general levy real estate taxes for the School District for each of the tax fiscal years 2020-2021 through 2029-2030, or until termination of the Leaseback Agreement, whichever date occurs first, shall be in an amount equal to the School District Land Component Payment plus the School District Variable Component Payment (as such terms are depicted above and defined below) for each such tax fiscal year. The School District Land Component Payment for each tax fiscal year shall be in an amount equal to the School District Tax rate then in effect for such tax fiscal year, applied against the then current assessed valuation that is to be determined by the Assessor of the Town of Elma of the non-depreciable portion of all tax parcels constituting the Project (assessed as land). The School District Variable Component Payment for each tax fiscal year shall be an amount equal to the School District Tax rate then in effect for such tax fiscal year, applied to the product of (i) the then current assessed valuation that is to be determined by the Assessor of the Town of Elma of the depreciable portion of all tax parcels constituting the Project (assessed as buildings or other improvements) and (ii) the payment factor applicable to such tax fiscal year as shown on Schedule A attached hereto and made a part hereof. Each such payment shall be delivered to the Iroquois Central School District, Attn: School Business Administrator, 2111 Girdle Rd., Elma, NY 14059-0032 or such other place as may be designated from time to time by School District. Payments for each tax fiscal year must be made by October 15 of that year, or such payment shall be considered delinquent.

(d) In addition to the foregoing, the Company shall pay all special district charges, special assessments and special ad valorem levies (specifically including but not limited to any fire district charges or "curb charges") and pure water charges and sewer charges that are levied against the Project are to be paid in full in accordance with normal billing practices as if the Agency did not have an interest in the Project.

(3) Valuation of Future Additions to the Facility. If there shall be a future addition to the Facility constructed or added in any manner after the date of this PILOT Agreement, the Company shall notify the Agency of such future addition ("Future Addition"). The notice to the Agency shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Agency may thereafter request. Upon the earlier of substantial completion, or the issuance of a certificate of occupancy for any such Future Addition to the Facility, the Company shall become liable for payment of an increase in the total payments in lieu of taxes payable under this PILOT Agreement ("Total PILOT Payment"). The Agency shall notify the Company of any proposed increase in the Total PILOT Payment related to such

Future Addition. If the Company shall disagree with the determination of assessed value for any Future Additions made by the Agency, then and in that event that valuation shall be fixed by a court of competent jurisdiction. Notwithstanding any disagreement between the Company and the Agency, the Company shall pay the increased PILOT payment until a different Total PILOT Payment shall be established. If a lesser Total Annual Payment is determined in any proceeding or by subsequent agreement of the parties, the Total PILOT Payment shall be re-computed and any excess payment shall be refunded to the Company or, in the Agency's sole discretion, such excess payment shall be applied as a credit against the next succeeding PILOT payment(s).

(4) The payments required under Paragraph (2) of this section shall in no event be more than would be otherwise payable as taxes if the Agency did not have an interest in the Project.

(5) Upon the termination of the periods shown in Paragraph (2) of this section, for the respective taxing authorities, the Company shall make full payment in lieu of all taxes on the Project as if the Agency did not have an interest in the Project.

Section 4. Proration and Transfer of Facility.

(1) During the last year of the term of the Leaseback Agreement, the Company may prorate any of its payments in lieu of taxes on the basis of the actual period during which the Agency has an interest in the Project so that there shall exist no period of time for which the Company is obliged to make payments in lieu of taxes in addition to the actual tax payments to which the Project is subject, under current law, at the time the Agency's interest in the Project is terminated.

(2) In the event that the Facility is transferred from the Agency to the Company (the lease/leaseback agreements are terminated), and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Tax Jurisdictions in excess of the payment described in Section 3 herein, or this Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

Section 5. Obligations and Rights of the Company in Relation to Tax Assessments and Levies.

(1) Subject to the provisions of the Leaseback Agreement, the Company in cooperation with the Agency shall:

(a) cause the appropriate real estate tax assessment office and tax levy officers to assess the Project and apply tax rates to the respective assessments as if the Agency did not have an interest in the Project; and

(b) cause the appropriate real estate tax assessment office and tax levy officers to submit to the Company, when the respective types of taxes are levied on privately owned property, statements specifying the respective amounts and due dates of taxes involved in this PILOT Agreement which the appropriate taxing authorities would receive if the Agency did not have an interest in such property; and

(c) file any accounts or tax returns required with the appropriate real estate tax assessment office and tax levy officers.

(2) The payments the Company is required to make under this PILOT Agreement are subject to the Company's rights, hereby granted, (a) to have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company were the owner of the Project, with respect to any proposed assessment or change in assessment with respect to the Project by any of the Affected Tax Jurisdictions, (b) to seek to obtain refunds of any such payments made including payments made pursuant to this PILOT Agreement, (c) likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein, and (d) the Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special benefit, ad valorem levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this PILOT Agreement, as if and to the same extent as if the Company were the owner of the Project. The Agency shall join in any procedure for obtaining relief under this paragraph to the extent that the Agency's consent is required for the Company to undertake such procedure; provided, however, that the Company shall continue to make the payments in lieu of taxes required by this PILOT Agreement adjusted for any reduction as provided above so long as the Leaseback Agreement shall remain in effect.

Section 6. Effect of Fulfillment of the Requirement and Clawback. Once having paid the amounts required by this PILOT Agreement, the Company shall not be required to pay any real estate taxes for which payments in lieu of taxes have been made. Notwithstanding the foregoing, in the event that the Agency shall determine (i) that the Company has submitted an application, or documentation in support of an application, which contained a false or intentionally misleading statement as to any fact which is material to the Company's application for benefits or which omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, and (ii) that such false or misleading statement or omission was made knowingly and intentionally for the purpose of obtaining financial assistance, then the Company shall forfeit any future tax exemptions or abatements and shall be required to pay to the appropriate taxing authority the amount of any real property, mortgage or sales tax abatements or exemptions received. The amount of benefits recaptured shall be: (i) for real property taxes, the difference between the amount of payment in lieu of taxes paid and the amount that would have been paid in real estate taxes if the Agency did not have an interest in the project; (ii) for sales taxes, the value of the sales tax exemption received and (iii) for the mortgage tax, the value of any mortgage recording tax for which an exemption was granted. Further, and again, notwithstanding anything contained herein to the contrary, the Agency and the Company have entered into that certain Agent and Financial Assistance Project Agreement dated as of November 21, 2017, as amended by that

certain First Amendment to Agent and Financial Assistance Project Agreement dated as of October 23, 2019 (collectively, the "Agent Agreement"), pursuant to which the Agency has the right to terminate, recapture, and/or modify financial assistance, including sales tax exemption benefits, mortgage recording tax exemption benefits, and real property tax abatement benefits (collectively, "Financial Assistance"), upon the terms and conditions set forth in the Agent Agreement. The Company recognizes and agrees that, if at any time, it fails to maintain its covenants and/or the terms and conditions as set forth in the Agent Agreement so as to effect a Recapture Event Determination as described within the Agent Agreement, then the Company may be subject to immediate termination or modification of Financial Assistance and/or be required to pay to the Agency an amount equal to any or all of the Financial Assistance as prescribed by the terms and conditions of the Agent Agreement.

Section 7. Events of Default.

(1) The following shall constitute "Event(s) of Default" hereunder:

(a) The failure by the Company to (i) make any such payments in lieu of taxes when due, whether for a full tax fiscal year or years or for a portion of a tax fiscal year pursuant to Sections 2 or 3 hereof within thirty (30) days of the payment due date (the "Delinquency Date"), whereupon the amount or amounts so in default shall continue as an obligation of the Company until fully paid; ii) make any other payments described herein on or before the last day of any applicable cure period within which said payment can be made without penalty; or (iii) the occurrence and continuance of any events of default under the Leaseback Agreement after the expiration of any applicable cure periods.

(2) Upon the occurrence of any Event of Default hereunder, in addition to any other right or remedy the Agency and/or the Affected Tax Jurisdictions may have at law or in equity, the Agency and/or Affected Tax Jurisdictions may, immediately and without further notice to the Company (but with notice to the Agency with respect to actions maintained by the Affected Tax Jurisdictions) pursue any action in the courts to enforce payment or to otherwise recover directly from the Company any amounts so in default.

(3) In addition, if payments pursuant to this PILOT Agreement are not made by the Delinquency Dates, or if any other payment required to be made hereunder is not made by the last day of any applicable cure period within which said payment can be made without penalty, the Company shall pay penalties and interest as set forth herein. With respect to payments to be made pursuant to Section 3 herein, if said payment is not received by the Delinquency Date defined above, Company shall pay, in addition to said payment, (i) a late payment penalty equal to five percent (5%) of the amount due and (ii) for each month, or any part thereof, that any such payment is delinquent beyond the first month, interest on the total amount due plus the late payment penalty, in an amount equal to one percent (1%) per month. With respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, Company shall pay, in addition to said payment, the greater of the applicable penalties and interest or penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Tax Jurisdictions. The Agency and the Company hereby acknowledge

the right of the Affected Tax Jurisdictions to recover directly from the Company any amounts so in default pursuant to General Municipal Law § 874(6). The Company shall promptly notify the Agency of any action brought, or other measure taken, by taxing authority to recover such amounts. It is understood that the right of any taxing authority herein acknowledged is in addition to, and shall not impair, the Agency's own rights arising from a breach of this PILOT Agreement. Should the Agency or the County or the Town or the School District commence any action to recover directly from the Company any amounts so in default, such parties shall be entitled to recover from the Company the amount due, the late payment penalty, interest, expenses, costs and disbursements, together with the reasonable attorneys' fees necessary to prosecute such action or proceeding.

(4) If the Project is not being used in accordance with the Act or the Leaseback Agreement, or if an Event of Default occurs, the Company shall make payments in lieu of taxes on the Project in such amounts as would be payable as real estate taxes levied on the Project if the Agency did not have an interest in the Project. The applicable tax assessment and tax levy rates shall be those in effect in the records of the appropriate taxing authorities.

(5) The period for the payments required by Paragraph (4) of this section shall commence on the date the Agency determines (a) that the use of the Project under the Act or the Leaseback Agreement is not being complied with, or (b) that an Event of Default has occurred and is continuing.

Section 8. Survival of the Company's Obligations. The obligations of the Company under this PILOT Agreement shall survive the termination or expiration of the Leaseback Agreement, for whatever reason terminated or expired.

Section 9. Assignment.

No portion of any interest in this Agreement may be assigned by the Company, nor shall any person other than the Company be entitled to succeed to or otherwise obtain any benefits of the Company hereunder without the prior written consent of the Agency, which shall not be unreasonably withheld or delayed.

Section 10. Miscellaneous.

(1) This Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument.

(2) All notices, claims and other communications hereunder shall be in writing and shall be deemed to be duly given if personally delivered or mailed first class, postage prepaid, or by nationally-recognized overnight courier, as follows:

(4) To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

(5) Notwithstanding any other term or condition contained herein, all obligations of the Agency hereunder shall constitute a special obligation payable solely from the revenues and other monies, if any, derived from the Facility and paid to the Agency by the Company. Neither member of the Agency nor any person executing this Agreement on its behalf shall be liable personally under this Agreement. No recourse shall be had for the payment of the principal or interest on amounts due hereunder or for any claim based upon or in respect of any modification of or supplement hereto against any past, present or future member, officer, agent, servant, or employee, as such, of the Agency; or of any successor or political subdivision, either directly or through the Agency or any such successor, all such liability of such members, officer, agents, servants and employees being, to the extent permitted by law, expressly waived and released by the acceptance hereof and as part of the consideration for the execution of this Agreement.
