**WHEREAS**, pursuant to General Municipal Law Section 859-a, and pursuant to Governor Cuomo’s Executive Order 202.15 issued on April 9, 2020, and as amended from time to time, authorizing the conduct of public hearings through the use of telephone conference, video conference and/or other similar service, the Agency, on October 29, 2020, at 11:30 a.m., held a public hearing with respect to the Project and the proposed Financial Assistance (as hereinafter defined) being contemplated by the Agency (the “Public Hearing”) via live stream web broadcast at [www.ecidany.com/streaming](http://www.ecidany.com/streaming), at which the Agency provided interested parties a reasonable opportunity to provide oral comments and/or their views on the Project, and further instructed interested parties on the process to submit written comments with respect to the Project; and

**WHEREAS**, it is contemplated that the Agency will (i) designate the Company as its agent for the purpose of undertaking the Project pursuant to an Agent and Financial Assistance Project Agreement (the “Agent Agreement”), (ii) negotiate and enter into a lease agreement (the “Lease Agreement”) and related leaseback agreement (the “Leaseback Agreement”) with the Company, pursuant to which the Agency will retain a leasehold interest in the Land, the Existing Improvements, the Improvements, the Equipment and personal property constituting the Facility; and (iii) provide Financial Assistance to the Company in the form of (a) an exemption benefit from all New York State and local sales and use taxes for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the acquisition, construction, reconstruction and/or renovation, rehabilitation or equipping of the Facility, and (b) a partial abatement from real property taxes benefit through a seven (7) year term PILOT Agreement for the benefit of each municipality and school district having taxing jurisdiction over the Project, (collectively, the sales and use tax exemption benefit and the partial abatement from real property taxes benefit, are hereinafter collectively referred to as the “Financial Assistance”); and

**WHEREAS**, pursuant to Article 18-A of the Act, the Agency desires to adopt a resolution describing the Project and the Financial Assistance that the Agency is contemplating with respect to the Project.

**NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:**

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, Agency Policy Committee review and recommendations of the Project and its November 5, 2020 resolution to approve the project subject to the terms and conditions as described herein, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and/or renovating and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing and/or retaining employment opportunities in Erie County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries, and, to the extent occupants are relocating from one plant or facility to another in another area of the State, the Agency has complied with the Intermunicipal Movement procedures as required in the Countywide Industrial Development Agency Uniform Tax Exemption Policy; and

(F) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(G) The Agency has prepared a written cost-benefit analysis identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(H) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions of the Act; and

(I) Mean Guppy LLC (the "Tenant") will occupy the Facility. The Agency hereby approves the subleasing of space in the Project to the Tenant and authorizes the Company to proceed with the Project as herein authorized; and

(J) Based upon a review of the Application and representations made by the Company to the Agency and the EAF, the Agency finds and determines that: (i) the Project constitutes an "Unlisted Action" within the meaning of SEQR and a coordinated review is optional; (ii) the Agency has conducted an uncoordinated review of the Project under SEQR; (iii) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (iv) construction related impacts are short term and do not have a significant magnitude or effect; (v) the Project will not have a "significant effect on the environment" as such quoted term is defined in SEQR; and (vi) no "environmental impact statement" as such quoted term is defined in SEQR, need be prepared for this action. The Agency thus issues a Negative Declaration pursuant to 6 N.Y.C.R.R. § 617.7 of the SEQR regulations, which concludes the Agency's uncoordinated review of the Project.

(K) The Project is compliant with the Countywide IDA Eligibility Policy, constitutes a commercial facility as defined in the General Municipal Law and will promote employment opportunities and prevent economic deterioration in the City of Buffalo. The Agency has reviewed the opinion of the State Comptroller (OSC Op. 85-51) and hereby specifically finds that the Project will create temporary construction jobs and retain thirty-four (34) full-time jobs and, by adaptively reusing a vacant, declining and aged structure and rehabilitating it for limited and partial residential use, will be a physical and economic improvement to this sensitive area of the City of Buffalo; and

(L) The Project qualifies for Agency Financial Assistance as it is compliant with the Agency's Adaptive Reuse Project Policy and meets the Agency's evaluative criteria for adaptive reuse projects, said criteria established by the Agency as required under General Municipal Law Section 859-a(5) as evidenced by the following:

- (i) the building is approximately 101 years old and functional issues related to its age present challenges to its reuse;
- (ii) the building has been vacant for 8 years;;
- (iii) the building is not generating any rental income;
- (iv) the Project is in compliance with the investment and growth criteria of the Framework for Regional Growth;
- (v) the Applicant has demonstrated evidence of financial obstacles and impediments to conventionally financing the project without otherwise obtaining Agency or other public assistance;
- (vi) the Project has received the support of local governmental entities;
- (vii) the building is located within a highly distressed census tract;

- (viii) the structure requires significant costs to comply with building codes;
- (ix) the facility is on several bus routes thus meeting transit oriented development criteria;
- (x) the Project's stated return on investment is below what investors and developers seek to achieve for such investments in urban high-risk areas; and
- (xi) the Project is in compliance with MBE/WBE Utilization.

Section 2. The Agency hereby authorizes the undertaking of the Project and the provision of the Financial Assistance to the Company as described herein.

Section 3. Subject to the Company executing an Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of insurance for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and/or renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the appointment of the Company as agent of the Agency, if utilized, shall expire one year from the date of this resolution (unless extended for good cause by the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer, and/or the Assistant Treasurer).

(A) Financial Assistance. With respect to the foregoing, and based upon the representations and warranties made by the Company in its application for Financial Assistance, the Agency hereby:

(i) authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount estimated up to \$1,200,000, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency cannot exceed \$105,000, however, the Agency may consider any requests by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services; and

(ii) authorizes and approves that the real property tax abatement benefits to be provided over the term of the PILOT Agreement are estimated to be approximately \$66,220, resulting in estimated total PILOT payments of \$18,060 over the term of the PILOT Agreement.

(B) Terms and Conditions of Financial Assistance. Pursuant to Section 875(3) of the New York General Municipal Law, and per the policies of the Agency, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any New York State and local sales and use tax exemption benefits, and/or partial abatements from real property taxes benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the New York State and local sales and use tax exemption benefits; (ii) the New York State and local sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the New York State and local sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; (iv) the Company has made a material false statement on its application for Financial Assistance; (v) the New York State and local sales and use tax exemption benefits and/or the partial abatement from real property taxes benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with the Investment Commitment, the Employment Commitment, and/or the Local Labor Commitment, said commitments, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project; and/or (vi) the New York State and local sales and use tax exemption benefits, and/or the partial abatement from real property taxes benefits are taken in cases where the Company fails to comply with the Equal Pay Commitment and/or the Unpaid Real Property Tax Policy Commitment, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project.

As a condition precedent of receiving Financial Assistance, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must cooperate with the Agency in its efforts to recover or recapture any Financial Assistance, and promptly pay over any such amounts to the Agency that the Agency demands.

(C) Commitments. As an additional condition precedent of receiving Financial Assistance, and as a material term or condition as approved by the Agency in connection with the Project, the Company covenants and agrees and understands that it must, subject to potential modification, termination and/or recapture of Financial Assistance for failure to meet and maintain the commitments and thresholds as described below, submit, on an annual basis or as otherwise indicated below through the conclusion of the termination of the PILOT Agreement, a certification, as so required by the Agency, confirming:

- (i) Investment Commitment- the total investment actually made with respect to the Project at the time of Project completion equals or exceeds \$1,882,750 (which represents the product of 85% multiplied by \$2,215,000, being the total project cost as stated in the Company's application for Financial Assistance).

- (ii) Employment Commitment – that there are at least 34 existing full time equivalent (“FTE”) employees located at, or to be located at, the Facility as stated in the Company’s application for Financial Assistance; and

Section 5. Subject to the terms of this Inducement Resolution, the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer and/or the Assistant Treasurer, are hereby authorized, on behalf of the Agency, to negotiate, execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the “Lender”) up to a maximum principal amount necessary to undertake the Project, acquire the Facility and/or finance or refinance acquisition and Project costs or equipment and other personal property and related transactional costs (hereinafter, with the Lease Agreement, Leaseback Agreement, and related documents, collectively called the “Agency Documents”); and, where appropriate, the Secretary or the Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer and/or the Assistant Treasurer of the Agency shall approve, the execution thereof by the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer and/or the Assistant Treasurer of the Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency’s interest in the Project.
