NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, Agency Policy Committee review and recommendations of the Project and its May 13, 2021 resolution to approve the project subject to the terms and conditions as described herein, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and/or renovating and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing and/or retaining employment opportunities in Erie County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries, and, to the extent occupants are relocating from one plant or facility to another in another area of the State, the Agency has complied with the Intermunicipal Movement procedures as required in the Countywide Industrial Development Agency Uniform Tax Exemption Policy; and

(F) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(G) The Agency has prepared a written cost-benefit analysis identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(H) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions the Act.

(I) The Project is compliant with the Countywide IDA Eligibility Policy, constitutes a commercial facility as defined in the General Municipal Law and will promote employment opportunities and prevent economic deterioration in the City of Buffalo. The Agency has reviewed the opinion of the State Comptroller (OSC Op. 85-51) and hereby specifically finds that the Project will create temporary construction jobs and create approximately 1 new part-time job and, by adaptively reusing a vacant, declining and aged structure and rehabilitating it for residential use, there will be a physical and economic improvement to this sensitive area of the City of Buffalo.

(J) Pursuant to Sections 617.5(c)(2) and 617.5(c)(18) of the Regulations, the Project is a “Type II action” (as said quoted term is defined in the Regulations) and therefore, the Agency hereby determines that no environmental impact statement or any other determination or procedure is required under SEQRA.

(K) The Project qualifies for Agency Financial Assistance as it is compliant with the Agency's Adaptive Reuse Project Policy and meets the Agency’s evaluative criteria for adaptive reuse projects, said criteria established by the Agency as required under General Municipal Law Section 859-a(5) as evidenced by the following:

- (i) the building is approximately 101 years old and functional issues related to its age present challenges to its reuse;
- (ii) the building has been vacant for 2 years and underutilized for at least 18 years;
- (iii) the building is not generating any rental income;
- (iv) the Project is in compliance with the investment and growth criteria of the Framework for Regional Growth;
- (v) the Applicant has demonstrated evidence of financial obstacles and impediments to conventionally financing the project without otherwise obtaining Agency or other public assistance;
- (vi) the Project has received the support of local governmental entities;
- (vii) the building is located within a distressed census tract;
- (viii) the structure requires significant costs to comply with building codes;
- (ix) the facility is on several bus routes thus meeting transit oriented development criteria;
- (x) the Project is located in a highly distressed census tract; and
- (xi) the Project’s stated return on investment is below what investors and developers seek to achieve for such investments in urban high-risk areas; and
- (xii) asbestos and contamination issues present a public safety hazard related to rehabilitation and redevelopment of the Project; and

(xiii) the Project is in compliance with MBE/WBE Utilization.

Section 2. The Agency hereby authorizes the undertaking of the Project and the provision of the Financial Assistance to the Company as described herein.

Section 3. Subject to the Company executing an Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of insurance for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and/or renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the appointment of the Company as agent of the Agency, if utilized, shall expire one year from the date of this resolution (unless extended for good cause by the Chair, the Vice Chair, the President/Chief Executive Officer, the Vice President, the Chief Financial Officer/Treasurer, and/or the Assistant Treasurer).

A. Financial Assistance. With respect to the foregoing, and based upon the representations and warranties made by the Company in its application for Financial Assistance, the Agency hereby:

(i) authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount estimated up to \$3,000,000, and, therefore, the value of the sales and use tax exemption benefits (“sales and use tax exemption benefits”) authorized and approved by the Agency cannot exceed \$262,500, however, the Agency may consider any requests by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services; and

(ii) authorizes and approves that the value of the mortgage recording tax exemption benefit (“mortgage recording tax exemption benefits”) shall not exceed \$33,750; and

(iii) authorizes and approves that the real property tax abatement benefits (“PILOT benefits”) to be provided over the term of the PILOT Agreement are estimated to be approximately \$323,582, resulting in estimated total PILOT payments of \$88,250 over the term of the PILOT Agreement.

B. Terms and Conditions of Financial Assistance. Pursuant to Section 875(3) of the New York General Municipal Law, and per the policies of the Agency, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party

As a condition precedent of receiving Financial Assistance, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must cooperate with the Agency in its efforts to recover or recapture any Financial Assistance, and promptly pay over any such amounts to the Agency that the Agency demands.

- (i) Investment Commitment- the total investment actually made with respect to the Project at the time of Project completion equals or exceeds \$7,019,527 (which represents the product of 85% multiplied by \$8,258,268, being the total project cost as stated in the Company's application for Financial Assistance).
- (ii) Employment Commitment – that there is at least 1 existing part time equivalent (“PTE”) employee located at, or to be located at, the Facility as stated in the Company's application for Financial Assistance (the “Baseline PTE”); and

- the number of current employees in the then current year at the Facility; and
 - that within two (2) years of Project completion, the Company has maintained and created PTE employment at the Facility equal to 1 PTE employee. In an effort to confirm and verify the Company's employment numbers, the Agency requires that, at a minimum, the Company provide employment data to the Agency on a quarterly basis, said information to be provided on the Agency's "Quarterly Employment Survey" form to be made available to the Company by the Agency.
- (iii) Local Labor Commitment - that the Company adheres to and complies with the Agency's Local Labor Workforce Certification Policy on a quarterly basis during the construction period.
