THIS FIRST AMENDMENT TO AGENT AND FINANCIAL ASSISTANCE AGREEMENT, dated as of the 31st day of July, 2015, is by and between **425 MICHIGAN AVENUE, LLC**, a limited liability company duly organized and validly existing under the laws of the State of New York with offices at 560 Delaware Avenue, Suite 300, Buffalo, New York 14202 (the "Company") and **ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation duly existing under the laws of the State of New York with offices at 95 Perry Street, Suite 403, Buffalo, New York 14203 (the "Agency").

WITNESSETH:

WHEREAS, the Agency was created by Chapter 293 of the Laws of 1970 of the State of New York pursuant to Title 1 of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, the Company has requested the Agency's assistance with a certain project (the "Project") consisting of: (i) an 8.7+/- acre parcel of land located at 425 Michigan Avenue, Buffalo, New York 14204 (the "Land") improved thereon with an existing 160,000+/- SF multistory building formerly known as the "Sheehan Memorial Hospital" (the "Existing Improvements"), (ii) the construction and/or renovation, upgrading and equipping of the Existing Improvements thereon for the development of a multi-tenant, mixed-use facility for commercial back-office space, health sciences, technology and engineering space, retail space, and residential space (the "Improvements"), and (iii) the acquisition and installation by the Company of certain items of machinery, equipment and other tangible personal property (the "Equipment," and collectively with the Land, the Existing Improvements and the Improvements, the "Facility"); and

WHEREAS, by Resolution dated July 15, 2013 (the "Resolution"), the Agency authorized the Company to act as its Agent for the purposes of acquiring, constructing and equipping the Facility subject to the Company entering into an Agent and Financial Assistance Agreement; and

WHEREAS, the Agency and the Company entered into that certain Agent and Financial Assistance Agreement, dated as of September 5, 2013, as amended from time to time, (collectively, the "Agent Agreement"), whereby the Agency authorized the Company to act as its Agent for the purposes of acquiring, constructing and/or equipping the Facility; and

WHEREAS, the Company and the Agency desire to amend the Agent Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

The Agent Agreement is amended as follows:

- 1. Any references to the sales tax exemption expiration in the Agent Agreement shall be changed from July 31, 2015 to July 31, 2016.
 - 2. The following paragraphs are added to Section 2:
- (k) The Company further covenants and agrees to complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60), in the form attached hereto as Exhibit A, for each Subagent, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the State Department of Taxation and Finance within thirty (30) days of appointment.
- (1)The Company acknowledges and agrees that all purchases made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123, a copy of which is attached hereto as Exhibits B-1 and B-2), and it shall be the responsibility of the Company (and not the Agency) to complete NYS Form ST-123. The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill or invoice should state, "I, [NAME OF COMPANY OR SUBAGENT], certify that I am a duly appointed agent of the ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY and that I am purchasing the tangible personal property or services for use in the 425 MICHIGAN AVENUE, LLC Project located at 425 Michigan Avenue, Buffalo, New York 14204, IDA Project Number "1404-13-18A". For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as Exhibit B-3) can be utilized for record keeping purposes.
- (m) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as Exhibit C) regarding the value of sales and use tax exemptions the Company and its Subagents, if any, have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with General Municipal Law Section 874(8). The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Agency; provided, however, in no event later than February 15th of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of the Company's authority to act as agent for the Agency.
- (n) The Company further covenants and agrees to submit to the Agency a Local Labor Utilization Report, which is attached hereto as <u>Exhibit D</u>, on a quarterly basis within ten (10) business days of each quarter end during the construction period. This report represents verification that the Company and its Subagents, if any, adheres to and undertakes or has undertaken construction activities in compliance with the Agency's Local Labor Workforce Certification Policy and Local Labor Reporting Requirements.

- (o) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.
- The Company covenants and agrees that at all times during the Material Terms and Conditions Monitoring Period, it will (i) maintain its existence and not dissolve, (ii) continue to be a limited liability company subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets except this Agreement may be assigned to a Related Person of the Company (as that term is defined in subparagraph (C) of paragraph three of subsection (b) of section four hundred sixty-five of the Internal Revenue Code of 1986, as amended, hereinafter "Related Person") without the receipt of the Agency's prior written consent and provided such assignee/successor entity shall reaffirm the Company's obligation's hereunder, and (iv) not consolidate with or merge into another entity or permit one or more entities to consolidate with or merge into it except upon receipt of the Agency's prior written consent and unless such merged or combined entity shall reaffirm the Company's obligation's hereunder. Granting or withholding of the Agency's consent shall be in the sole discretion of the Agency. A transfer in excess of 50% of the equity voting interests of the Company, other than to a Related Person of the Company, shall be deemed an assignment and require the prior written consent of the Agency.
- (q) The Company agrees that it will, throughout the term of this Agent Agreement, promptly comply in all material respects with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all federal, state, county, municipal and other governments, departments, commissions, boards, companies or associations insuring the premises, courts, authorities, officials and officers, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof, or to any use, manner of use or condition of the Facility or any part thereof. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2(p). In such event, the Company, with the prior written consent of the Agency (which shall not be unreasonably conditioned, delayed or withheld) may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency shall notify the Company that it must comply with such requirement or requirements.
 - 3. Section 10 of the Agent Agreement is amended and restated in its entirety as follows:

The warranties, representations, obligations and covenants of the Company under this Agent Agreement shall be absolute and unconditional and shall remain in full force and effect during the term of this Agent Agreement, shall be deemed to have been relied upon by the Agency, and shall survive the delivery and termination of this Agent Agreement to the Agency, regardless of any investigation made by the Agency.

Unless otherwise amended pursuant to the terms contained herein, the terms of the Agent Agreement shall remain unchanged.

IN WITNESS WHEREOF, the Company and the Agency have caused this First Amendment to Agent Agreement to be executed in their respective names, all as of the date first above written.

Instructions

Filing requirements

An IDA must file this form within 30 days of the date the IDA appoints any project operator or other person as agent of the IDA, for purposes of extending any sales and compensating use tax exemptions.

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA need not file this form if the IDA does not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, the IDA must, within 30 days of the change, file a new form with the new information.

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA must, within 30 days, send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. It should attach to the letter a copy of the form it originally filed. The IDA need not send a letter for a form that is not valid merely because the "Completion date of project" has

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number— If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and buildozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- A. Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- B. Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- C. Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- · A penalty equal to 100% of the tax due;
- · A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your Certificate of Authority, if you are required to be registered as a vendor. See TSB-M-09(17)S, Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- · accepted in good faith;
- in your possession within 90 days of the transaction; and
- · properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter **N/A**.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- A. Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- B. Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- C. Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- · A penalty equal to 100% of the tax due;
- · A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your Certificate of Authority, if you are required to be registered as a vendor. See TSB-M-09(17)S, Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- · accepted in good faith;
- · in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Privacy notification

The Commissioner of Taxation and Finance may collect and maintain personal information pursuant to the New York State Tax Law, including but not limited to, sections 5-a, 171, 171-a, 287, 308, 429, 475, 505, 697, 1096, 1142, and 1415 of that Law, and may require disclosure of social security numbers pursuant to 42 USC 405(c)(2)(C)(i).

This information will be used to determine and administer tax liabilities and, when authorized by law, for certain tax offset and exchange of tax information programs as well as for any other lawful purpose.

General information

Who must file?

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person **directly** appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operator(s) directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operator(s) should **not** themselves file Form ST-340. However, the agent/project operator(s) must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

What must be reported?

The report must show the **total value of all state and local sales and use taxes exempted** during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions obtained by the agent/project operator; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

The report requires only the **total combined** exemptions obtained by the above people. A break down of the total is not required. However, since the report must include the value of the exemptions they obtained, the agent/project operator must keep records of the amounts others report to the agent/project operator.

It is important that the agent/project operator make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available so that the agent/project operator can comply with the annual reporting requirements.

Do not include in this report the amount of any sales and use tax exemptions arising out of other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

See instructions below for additional information required.

When is the report due?

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

At the top of the form, identify the reporting period by entering the year in the space provided. If an address is required, always include the ZIP code.
