Sodexo, Inc. ("Sodexo"), is an international premier provider of quality of life services, such as sustainable energy programs, efficiently designed work spaces, or wellness and nutrition, to individuals and corporations. Quality of Life is central to the performance and growth of individuals and organizations. Working from this perspective, Sodexo has redefined how to best serve its clients' complex needs across the industries served: Corporate, Education, Government, Healthcare, Senior Living, Sports & Leisure, and Remote Sites. Sodexo currently leases four (4) facilities in Amherst, NY (10,15 and 95 Earhart Drive & 115 Lawrence Bell Drive) for a total of 125,000 leased SF. The current footprint houses employees responsible for back-office functions such as HR, Finance and IT. The current multi-location footprint has been deemed inefficient by Sodexo. All four (4) buildings are owned by The Uniland Partnership of Delaware L.P. ("Uniland" or "Uniland Development Company"). Sodexo's U.S. headquarters is in Gaithersburg, Maryland, and as a result Sodexo has an extensive real estate presence there. Given the back-office functions in Western New York and the November 2015 lease expiration, Sodexo began an analysis of three options, (i) keep the current layout, (ii) consolidate operations, or (iii) relocate operations to Sodexo's headquarters campus in Maryland. Senior management believed relocating the operations and jobs to Maryland would most likely be the most economical option. Option (i) was quickly eliminated due to multiple location inefficiencies. Option (iii) was seriously considered especially after conversations with Maryland's Department of Business and Economic Development and the review of available incentives. Option (ii) began with investigating the local commercial property market, particularly in the Town of Amherst, such as College Park, 3920 Main Street, CrossPoint Business Park, Northpoint, Muir Woods. In each case it was determined that the space was either, not available, functionally obsolete, located too far from current employees, or unavailable due to time constraints. It was determined that the most suitable location was in the Town of Cheektowaga at Airborne Business Park, owned by Uniland. The efficiencies gained by consolidating into a new build facility, along with the incentives potentially available through the ECIDA, provided the economic argument for Sodexo to consolidate its Buffalo operations and make a long term commitment to the Buffalo region, rather than relocate to Maryland. However, Sodexo's long term commitment is contingent upon receiving ECIDA benefits on or before August 28, 2015.

**Describe the reasons why the Agency's Financial Assistance is necessary and how the Financial Assistance enables the company to undertake the Project to facilitate investment, job creation and/or job retention. Focus on competitiveness issues, project shortfalls, etc... Your eligibility determination will be based in part on your answer (attach additional pages if necessary)**

The goal of this project is to achieve operational efficiencies that justify locating a single tenant facility of this size in Erie County, rather than relocating these jobs to Sodexo's Maryland headquarters. The financial assistance and consolidating existing operations into one location will help mitigate some of the upfront and ongoing costs to Sodexo and help justify a long term commitment to the Buffalo region. However, Sodexo's long term commitment to the Buffalo region is contingent upon receiving ECIDA benefits on or before August 28, 2015.

**Will project include leasing any equipment?**

No

**If yes, please describe equipment and lease terms.**

#### Site Characteristics

**Will the Project meet zoning/land use requirements at the proposed location?**

Yes

**Describe the present zoning/land use**

Zoning class M-1 Light Manufacturing, Office & Warehouse

**Describe required zoning/land use, if different**

**If a change in zoning/land use is required, please provide details/status of any request for change of zoning/land use requirements**

**Is the proposed Project located on a site where the known or potential presence of contaminants is complicating the development/use of the property?**

No

**If yes, please explain**

**Has a Phase I Environmental Assessment been prepared, or will one be prepared with respect to the proposed Project Site?**

Yes

**If yes, please provide a copy.**

**Have any other studies, or assessments been undertaken with respect to the proposed Project Site that indicate the known or suspected presence of contamination that would complicate the site's development?**

No

If yes, please provide copies of the study.

**If you are purchasing new machinery and equipment, does it provide demonstrable energy efficiency benefits?**

Yes, the facility will be seeking Energy Star compliance.

You may also attach additional information about the machinery and equipment at the end of the application.

**Does or will the company or project occupant perform research and development activities on new products/services at the project location?**

No

If yes, please explain.

**What percentage of annual operating expenses are attributed to the above referenced research and development activities?**

### Section III: Adaptive Reuse Projects

Are you applying for tax incentives under the Adaptive Reuse Program?	No
What is the age of the structure (in years)?	0
Has the structure been vacant or underutilized for a minimum of 3 years? (Underutilized is defined as a minimum of 50% of the rentable square footage of the structure being utilized for a use for which the structure was not designed or intended)	No
If yes, number of years vacant?	0
Is the structure currently generating insignificant income? (Insignificant income is defined as income that is 50% or less than the market rate income average for that property class)	No
If yes, please provide dollar amount of income being generated, if any	\$
Does the site have historical significance?	No
Are you applying for either State/Federal Historical Tax Credit Programs?	No
If yes, provide estimated value of tax credits	\$
Briefly summarize the financial obstacles to development that this project faces without ECIDA or other public assistance. Please provide the ECIDA with documentation to support the financial obstacles to development (you will be asked to provide cash flow projections documenting costs, expenses and revenues with and without IDA and other tax credits included indicating below average return on investment rates compared to regional industry averages)	
Briefly summarize the demonstrated support that you intend to receive from local government entities. Please provide ECIDA with documentation of this support in the form of signed letters from these entities	
Please indicate other factors that you would like ECIDA to consider such as: structure or site presents significant public safety hazard and or environmental remediation costs, site or structure is located in a distressed census tract, structure presents significant costs associated with building code compliance, site has historical significance, site or structure is presently delinquent in property tax payments	

## Section IV: Retail Determination

**Will any portion of the project (including that portion of the costs to be financed from equity or other sources) consist of facilities or property that are or will be primarily used in making sales of goods or services to customers who personally visit the project site?**

No

If yes, complete the Retail Questionnaire Supplement below.

**What percentage of the cost of the project will be expended on such facilities or property primarily used in making sales of goods or services to customers who personally visit the project?**

0 %

If the answer to this is **less than 33%** do not complete the remainder of the page and proceed to the next section (Section V: Inter-Municipal Move Determination).

If the answer to A is Yes AND the answer to Question B is greater than 33.33%, indicate which of the following questions below apply to the project:

**Will the project be operated by a not-for-profit corporation?**

No

**Is the project location or facility likely to attract a significant number of visitors from outside the economic development region (Erie, Niagara, Allegheny, Chautauqua and Cattaraugus counties) in which the project will be located?**

<BLANK>

If yes, please provide a third party market analysis or other documentation supporting your response.

**Is the predominant purpose of the project to make available goods or services which would not, but for the project, be reasonably accessible to the residents of the municipality? Are services provided at the proposed project site needed because of a lack of reasonably accessible retail trade facilities offering such goods or services?**

<BLANK>

If yes, please provide a market analysis supporting your response.

**Will the project preserve permanent, private sector jobs or increase the overall number of permanent private sector jobs in the State of New York?**

<BLANK>

**If yes, explain**

**Is the project located in a Highly Distressed Area?**

<BLANK>

## Section V: Inter-Municipal Move Determination

The Agency is required by state law to make a determination that, if completion of a Project benefiting from Agency Financial Assistance results in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, Agency financial Assistance is required to prevent the project occupant from relocating out of the state, or is reasonably necessary to preserve the project occupant's competitive position in its respective industry.

**Will the project result in the removal of an industrial or manufacturing plant of the Project occupant from one area of the state to another area of the state?** No

**Will the project result in the abandonment of one or more plants or facilities of the Project occupant located within the state?** No

**If Yes to either question, explain how, notwithstanding the aforementioned closing or activity reduction, the Agency's Financial Assistance is required to prevent the Project from relocating out of the State, or is reasonably necessary to preserve the Project occupant's competitive position in its respective industry:**

**Does this project involve relocation or consolidation of a project occupant from another municipality or abandonment of an existing facility?**

**Within New York State** No

**Within Erie County** Yes

**If Yes to either question, please, explain** This project does include the relocation and consolidation of Sodexo's four (4) facilities in Amherst, NY (10,15 and 95 Earhart Drive & 115 Lawrence Bell Drive) totaling 125,000 SF into a 109,170 SF facility located in Uniland's Airborne Business Park in Cheektowaga, NY. This project does not result in an abandonment of Sodexo's existing facilities since all four (4) Amherst buildings currently leased are owned by Uniland Development Company. All four (4) existing leases will expire on November 30, 2015. As a result, Uniland and Sodexo will modify the existing leases so that they expire upon commencement of the new lease at 400 Airborne Parkway. Please note, the modification of the existing leases and new lease at 400 Airborne Parkway are contingent upon receipt of ECIDA benefits on or before August 28, 2015.

**Will the project result in a relocation of an existing business operation from the City of Buffalo?**

No

**If yes, please explain the factors which require the project occupant to relocate out of the City of Buffalo (For example, present site is not large enough, or owner will not renew leases etc.)**

**What are some of the key requirements the project occupant is looking for in a new site? (For example, minimum sq. ft., 12 foot ceilings, truck loading docks etc.)**

Sodexo is seeking a back-office facility with enough square footage to house the various operations that are currently spread across four (4) buildings. Facility needs analysis also revealed a location closer to central Erie County would benefit employees who reside in southern Erie County, thereby increasing employee retention.

**If the project occupant is currently located in Erie County and will be moving to a different municipality within Erie County, has the project occupant attempted to find a suitable location within the municipality in which it is currently located?**

Yes

**What factors have lead the project occupant to consider remaining or locating in Erie County?**

The efficiencies gained by consolidating into a single facility, along with the incentives potentially available through the ECIDA.

**If the current facility is to be abandoned, what is going to happen to the current facility that project occupant is located in?**

This project does not result in an abandonment of Sodexo's existing facilities since all four (4) Amherst buildings currently leased are owned by Uniland Development Company and all four (4) existing leases will expire on November 30, 2015. Uniland and Sodexo intend to modify the existing leases so that they expire upon commencement of the new lease at 400 Airborne Parkway. Please note, the modification of the existing leases and new lease at 400 Airborne Parkway are contingent upon receipt of ECIDA benefits on or before August 28, 2015.

**Please provide a list of properties considered, and the reason they were not adequate. (Some examples include: site not large enough, layout was not appropriate, did not have adequate utility service, etc.) Please include full address for locations.**

The investigation of the local commercial property market included College Park, 3920 Main Street, CrossPoint Business Park, Northpoint and Muir Woods. In each case it was determined that the space was either, not available, functionally obsolete, located too far from current employees, or unavailable due to time constraints.
