WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 293 of the Laws of 1970 of the State of New York, as amended (collectively, the "Act"), the ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY (the "Agency") was created with the authority and power to own, lease and sell property for the purpose of, among other things, acquiring, constructing and equipping civic, industrial, manufacturing, commercial and other facilities as authorized by the Act; and

WHEREAS, the Company has submitted an application to the Agency (the "Application") requesting the Agency's assistance with a certain project (the "Project") consisting of: (i) the renovation of an additional and already existing 15,000+/- SF expansion to the Tomrick Systems' existing 30,000+/- SF footprint in an existing building located at 85 River Rock Drive, City of Buffalo, Erie County, New York (the "Improvements") consisting of upgrades to HVAC, electrical, fire safety systems and loading docks; and (ii) the acquisition and installation by the Company of certain items of machinery, equipment and other tangible personal property to be utilized for Company operations (the "Equipment," and collectively with the Improvements, the "Facility"); and

WHEREAS, it is contemplated that the Agency will (i) designate the Company as its agent for the purpose of undertaking the Project pursuant to an Agent and Financial Assistance Project Agreement (the "Agent Agreement"), and (ii) provide Financial Assistance to the Company in the form of an exemption benefit from all New York State and local sales and use taxes for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the renovation, installation or equipping of the Facility (the "Financial Assistance"); and

WHEREAS, the Project constitutes a "Type II" action under Article 8 of the New York Environmental Conservation Law and Regulations adopted pursuant thereto by the Department of Environmental Conservation of the State (collectively, "SEQR") and therefore no further action is required under SEQR; and

WHEREAS, pursuant to Article 18-A of the Act, the Agency desires to adopt a resolution describing the Project and the Financial Assistance that the Agency is contemplating with respect to the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, Agency Policy Committee review and recommendations of the Project and its February 8, 2018 resolution to approve the project subject to the terms and conditions as described herein, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of renovating, installing, and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing and/or retaining employment opportunities in Erie County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries, and, to the extent occupants are relocating from one plant or facility to another in another area of the State, the Agency has complied with the Intermunicipal Movement procedures as required in the Countywide Industrial Development Agency Uniform Tax Exemption Policy; and

(F) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(G) The Agency has prepared a written cost-benefit analysis identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(H) The Company has provided a written statement confirming that the Project as of the date of the Application is in compliance with all provisions the Act; and

(I) The Agency hereby approves the subleasing of space in the Project and authorizes the Company to proceed with the Project as herein authorized; and

Section 2. The Agency hereby authorizes the undertaking of the Project and the provision of the Financial Assistance to the Company as described herein.

Section 3. Subject to the Company executing an Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of insurance for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to renovate, install, and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the appointment of the Company as agent of the Agency, if utilized, shall expire one year from the date of this resolution (unless extended for good cause by the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer, and/or the Assistant Treasurer).

With respect to the foregoing, and based upon the representations and warranties made by the Company in its application for Financial Assistance, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an estimated amount up to \$750,000.00, which may result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed \$65,625.00. The Agency may consider any requests by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Pursuant to Section 875(3) of the New York General Municipal Law, and per the policies of the Agency, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any New York State and local sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the New York State and local sales and use tax exemption benefits; (ii) the New York State and local sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the New York State and local sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; (iv) the Company has made a material false statement on its application for Financial Assistance; (v) the New York State and local sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with the Investment Commitment, the Employment Commitment, and/or the Local Labor Commitment, said commitments, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project; and/or (vi) the New York State and local sales and use tax exemption benefits are taken in cases where the Company fails to comply with the Equal Pay Commitment and/or the Unpaid Real Property Tax Policy Commitment, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project.

As a condition precedent of receiving Financial Assistance, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any Financial Assistance, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

As an additional condition precedent of receiving Financial Assistance, and as a material term or condition as approved by the Agency in connection with the Project, the Company covenants and agrees and understands that it must, subject to potential termination, modification, and/or recapture of Financial Assistance for failure to meet and maintain the commitments and thresholds as described below, submit, on an annual basis or as otherwise indicated below

through the conclusion of the later of two (2) years following either (i) the construction completion date, or (ii) the termination of the Agent Agreement, a certification, as so required by the Agency, confirming:

- (i) Investment Commitment- the total investment actually made with respect to the Project at the time of Project completion equals or exceeds \$1,338,750.00 (which represents the product of 85% multiplied by \$1,575,000.00, being the total project cost as stated in the Company's application for Financial Assistance).
- (ii) Employment Commitment - that there are at least 25 existing full time equivalent ("FTE") employees located at, or to be located at, the Facility as stated in the Company's application for Financial Assistance (the "Baseline FTE"); and
 - the number of current FTE employees in the then current year at the Facility; and
 - that the Company has maintained and created FTE employment at the Facility equal to 27 FTE employees representing the sum of the Baseline FTE plus 2, (being the total number of new FTE employee positions as proposed to be created by the Company as stated in the Company's application for Financial Assistance within two years follow the construction completion date). In an effort to confirm and verify the Company's employment numbers, the Agency requires that, at a minimum, the Company provide employment data to the Agency on a quarterly basis, said information to be provided on the Agency's "Quarterly Employment Survey" form to be made available to the Company by the Agency.
- (iii) Local Labor Commitment - that the Company adheres to and complies with the Agency's Local Labor Workforce Certification Policy on a quarterly basis during the construction period.
- (iv) Equal Pay Commitment – that the Company adheres to and complies with the Agency's Pay Equity Policy.
- (v) Unpaid Real Property Tax Policy Commitment – that the Company is compliant with the Agency's Unpaid Real Property Tax Policy.

Section 4. Subject to the terms of this Inducement Resolution, the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer and/or the Assistant Treasurer, are hereby authorized, on behalf of the Agency, to negotiate, execute and deliver an Agent Agreement and related documents; provided, however, that Agent Agreement includes payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project.

Section 5. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required

and to negotiate, execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 6. The provision by the Agency of Financial Assistance with respect to the Project as described herein is subject to the execution and delivery of the Agency's Administrative Fee Agreement (the "Fee Agreement") and payment by the Company of an administrative fee calculated in accordance with the Fee Agreement, all within sixty (60) days of the date of this resolution. In the event the Agency has not received the executed Fee Agreement and the appropriate fee within such sixty (60) day period, this resolution shall become automatically null and void and of no further effect and the Agency shall have no liability to the Company hereunder or otherwise, unless extended in the discretion of the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer, or the Assistant Treasurer for good cause shown.

Section 7. This resolution shall take effect immediately, and shall expire one (1) year from the date hereof unless extended for good cause by the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer, or the Assistant Treasurer.
