WHEREAS, no agent status in favor of the Company or any subagent thereof, nor any amount of Financial Assistance shall be provided to the Company by the Agency prior to the effective date of this Agent Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. Purpose of Project and Scope of Agency. The purpose of the Agency's provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project to advance job opportunities, health, general prosperity and economic welfare of the people of Erie County, and to specifically promote the investment commitment, employment commitment, local labor commitment, equal pay commitment, and the unpaid real property tax policy commitment all as contained herein and within the Company's Application.

Pursuant to the Resolution, the Agency has appointed the Company as agent to undertake the Project, as defined herein and within the Resolution. The Company hereby agrees to limit its activities as agent for the Agency under the authority of the Resolution to acts reasonably related to the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation thereof in and around the Facility. Pursuant to the Resolution and this Agent Agreement, the Company has the power to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses including but not limited to the individuals and entities described on Schedule A attached hereto (collectively, the "Subagent"). The Company shall have the right to amend Schedule A from time to time and shall be responsible for maintaining an accurate list of all parties acting as agent for the Agency. The Company's right to appoint subagents is expressly conditioned upon updating of Schedule A, hereto, along with the timely filing of Form ST-60 (non-primary) for each subagent, with such updated Schedule A and a copy of and proof of filing of such ST-60 (non-primary) being immediately filed with the Agency. All contracts entered into by the Company and all subagents thereof as agent for the Agency shall include the language contained within Schedule B, hereto. Failure by the Company and/or any subagent thereof to include such language shall disqualify the agent status and sales tax exemptions derived by virtue of this Agent Agreement. The Company, for itself and on behalf of all duly appointed subagents, hereby agrees that all contracts entered into by the Company and any subagents thereof shall be available to the Agency for inspection and confirmation of the foregoing mandatory language.

- 2. <u>Representations and Covenants of the Company</u>. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project/Facility:

 - (5) the Company fails to meet and maintain the thresholds and requirements representing certain material terms and conditions required by the Agency to be complied with and adhered to, as evidenced by submission, as so required by the Agency, of written confirmation certifying and confirming on an annual basis beginning in the first year in which Financial Assistance is so claimed through the conclusion of the later of two (2) years following either (i) the construction completion date, or (ii) the termination of the Agent Agreement, (said time period so referenced being hereinafter defined as the "Material Terms and Conditions Monitoring Period"), a certification, as so required by the Agency, confirming:
 - (a) Investment Commitment that the total investment actually made with respect to the Project at the Project's construction completion date equals or

- (b) Employment Commitment that there are at least seven (7) existing full time equivalent ("FTE") employees [representing 5 FTE employees plus 5 part-time equivalent ("PTE") employees (with 2 PTE employees counting as 1 FTE employee)] located at, or to be located at, the Facility as stated in the Company's application for Financial Assistance (the "Baseline FTE/PTE") and specifically confirming:
 - the number of current FTE/PTE employees in the then current year at the Facility; and

In an effort to confirm and verify the Company's employment numbers, the Agency requires that, at a minimum, the Company provide employment data to the Agency on a quarterly basis, said information to be provided on the Agency's "Quarterly Employment Survey" form to be made available to the Company by the Agency; and
 - In order to certify and verify the foregoing the Company shall provide to the Agency, a certified statement and documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by category, including full time equivalent independent contractors employees of independent contractors that work at the project location, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. - (d) Equal Pay Commitment that the Company adheres to and undertakes or has undertaken activities in compliance with the Agency's Pay Equity Policy; and
- (e) Unpaid Real Property Tax Policy Commitment that the Company is compliant with the Agency's Unpaid Real Property Tax Policy.

The findings made by the Agency, or Agency staff, as appropriate, with respect to Section 2(g)(1), (2), (3) and/or (4) and/or failure to provide the written confirmation as required by Section 2(g)(5) with respect to the thresholds and requirements as identified in Section 2(g)(5), above, and/or failure to meet the thresholds and requirements as identified in Section 2(g)(5) above, may potentially be determined by the Agency, in accordance with the Agency's "Policy for Termination and/or Modification of Agency Financial Assistance and Recapture of Agency Financial Assistance Previously Granted", or by Agency Staff, as appropriate, to constitute a failure to comply with Section 875(3) of the New York General Municipal Law, and/or a failure to comply with a material term or condition to use property or services or Agency Financial Assistance in the manner approved by the Agency in connection with the Project, and/or a failure to comply with the Agency's policies and Resolution (collectively, findings and determinations made as described herein with respect to Section 2(g)(1), (2), (3) and/or (4) and/or the failure under Section 2(g)(5) to submit the required certification and/or the failure to meet the required thresholds and requirements as specified in Section 2(g)(5) are hereby defined as a "Recapture Event Determination"). If the Agency makes a Recapture Event Determination, or notwithstanding anything contained herein to the contrary, Agency staff makes a finding with respect to Section 2(g)(1), (2), or (3) above, and/or Agency staff determines that the Company has closed the Project or has failed to operate the Project as contemplated by the Application and the Resolution, then the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any and all Financial Assistance obtained by the Company and (ii) promptly pay over any such amounts to the Agency that the Agency demands in connection therewith. The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner and/or Erie County Comptroller may assess and determine the Financial Assistance due from the Company, together with any relevant penalties and interest due on such amounts.

(h) As directed by the Company, the Company further: (i) covenants that the purchase of goods and services relating to the Project and subject to New York State and local sales and use taxes shall be in an amount estimated up to \$544,000.00 and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency, subject to Section 2(g) of this Agent Agreement, cannot exceed \$47,600; and (ii) confirms that the mortgage recording tax exemption amount shall not exceed \$23,890.00.

- (i) The Company acknowledges and understands that a Recapture Event Determination made with respect to Section 2(g)(4) of this Agent Agreement will, in addition, immediately result in the loss and forfeiture of the Company's right and ability to obtain any and all future Financial Assistance with respect to the Project.
- (j) The Company further covenants and agrees to complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60), in the form attached hereto as Exhibit A, for each Subagent, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the State Department of Taxation and Finance within thirty (30) days of appointment.
- (k) The Company acknowledges and agrees that all purchases made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123, a copy of which is attached hereto as Exhibits B-1 and B-2), and it shall be the responsibility of the Company (and not the Agency) to complete NYS Form ST-123. The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill or invoice should state, "I, [NAME OF COMPANY OR SUBAGENT], certify that I am a duly appointed agent of the ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY and that I am purchasing the tangible personal property or services for use in the 166 CHANDLER HOLDINGS, LLC Project located at 166 Chandler Street, Buffalo, NY 14207, IDA Project Number "1404-18-04A". For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as Exhibit B-3) can be utilized for record keeping purposes.
- (I) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as Exhibit C) regarding the value of sales and use tax exemptions the Company and its Subagents, if any, have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with General Municipal Law Section 874(8). The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Agency; provided, however, in no event later than February 15th of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of the Company's authority to act as agent for the Agency.
- (m) The Company further covenants and agrees to submit to the Agency a Local Labor Utilization Report, which is attached hereto as Exhibit D, on a quarterly basis within ten (10) business days of each quarter end during the construction period. This report represents verification that the Company and its Subagents, if any, adheres to and undertakes or has undertaken construction activities in compliance with the Agency's Local Labor Workforce Certification Policy and Local Labor Reporting Requirements.
- (n) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency

shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

- (o) The Company covenants and agrees that at all times during the Material Terms and Conditions Monitoring Period, it will (i) maintain its existence, continue to operate the Project as contemplated by the Application and the Resolution and not dissolve, (ii) continue to be a limited liability company subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets except this Agreement may be assigned to a Related Person of the Company (as that term is defined in subparagraph (C) of paragraph three of subsection (b) of section four hundred sixty-five of the Internal Revenue Code of 1986, as amended, hereinafter "Related Person") without the receipt of the Agency's prior written consent and provided such assignee/successor entity shall reaffirm the Company's obligation's hereunder, and (iv) not consolidate with or merge into another entity or permit one or more entities to consolidate with or merge into it except upon receipt of the Agency's prior written consent and unless such merged or combined entity shall reaffirm the Company's obligation's hereunder. Granting or withholding of the Agency's consent shall be in the sole discretion of the Agency. A transfer in excess of 50% of the equity voting interests of the Company, other than to a Related Person of the Company, shall be deemed an assignment and require the prior written consent of the Agency.
- The Company confirms and acknowledges under the penalty of perjury that as of the date hereof, the Company, as owner, occupant, or operator of the Project receiving Financial Assistance from the Agency in connection with the Project, is in substantial compliance with all applicable local, state and federal tax, worker protection and environmental laws, rules and The Company further agrees that it will, throughout the term of this Agent regulations. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2(p). In such event, the Company, with the prior written consent of the Agency (which shall not be unreasonably conditioned, delayed or withheld) may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency shall notify the Company that it must comply with such requirement or requirements.
- 3. <u>Hold Harmless Provision</u>. Instructions

When to file

An IDA must file this form within 30 days of the date they appoint any project operator or other person as agent of the IDA, for purposes of extending any sales and use tax exemptions.

Requirements to file

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA should not file this form if they do not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, they must, within 30 days of the change, file a new form with the new information.

If the information on this form changes

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA, within 30 days, must send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. They must attach to the letter a copy of the form it originally filed. The IDA should not send a letter for a form that is not valid merely because the *Completion date of project* has passed.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, Contractor Exempt Purchase Certificate, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- A. Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- B. Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- C. Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due:
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your Certificate of Authority, if you are required to be registered as a vendor. See TSB-M-09(17)S, Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- · accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter **N/A**.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- A. Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- B. Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- C. Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- · A penalty equal to 100% of the tax due;
- · A \$50 penalty for each fraudulent exemption certificate issued;

General information

Who must file

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the project occupant) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person directly appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operators directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operators should not themselves file Form ST-340. However, the agent/project operators must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described

What you must report

The report must show the total value of all state and local sales and use taxes exempted during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions the agent/project operator (you) obtained; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

Include only the total combined exemptions obtained by the above people. A breakdown of the total is not required. However, since the report must include the value of the exemptions they obtained, you must keep records of the amounts others report to you.

You must make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available, so that you can comply with the annual reporting requirements.

Do not include on this report the amount of any sales and use tax exemptions from other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

When the report is due

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

Project information

At the top of the form, identify the reporting period by entering the year in the space provided. If an address is required, always include the ZIP code.

Name of IDA agent/project operator: Enter your name, address, employer identification number (EIN), and telephone number.

Name of IDA and IDA project number: Enter the name and address of the IDA. If more than one IDA is involved in a particular project, you must file a separate report for the tax exemptions attributable to each IDA. Also enter the ID project number.

Re:	New Project Verification	

Dear:

The Erie County Industrial Development Agency (the "Agency") is currently providing assistance in connection with the/your project in the Town of Cheektowaga.

The Agency is required to file an annual report with the New York State Comptroller providing information on its activities, and the activities of projects that are assisted by the Agency. In order for the Agency to compile that report, it is necessary that we obtain information relating to assistance provided and benefits derived from all entities that receive such assistance. Failure by the Agency to file the report information required by New York State could result in the Agency losing its ability to provide future assistance or the entity suffering claw-back provisions and forfeiting benefits previously received. Therefore, it is important that this information be provided in an accurate and timely manner.

Attached please find a questionnaire to be completed and returned to the Agency by______. If you have any questions regarding the required information, please do not hesitate to call our office.

We appreciate your assistance in this matter. A self-addressed stamped envelope is enclosed for your convenience.
