

NOTICE OF PUBLIC HEARING

Pursuant to Article 18-A of NYS General Municipal Law, the Erie County Industrial Development Agency (the "Agency") will hold a public hearing on February 24, 2020 at 10:00 a.m. at the Town of Orchard Park Town Offices, 4295 South Buffalo Street (1st Floor Lobby Conference Room), Orchard Park, NY 14127 regarding:

3310 Benzing Rd., LLC, and/or Individual(s) or Affiliate(s), Subsidiary(ies), or Entity(ies) formed or to be formed on its behalf (the "Company"), has submitted an application to the Agency (a copy of which is on file at the office of the Agency) requesting the Agency to undertake a certain project (the "Project") consisting of: (i) a .25+/- acre portion of a parcel of land located at 3310 N. Benzing Road in the Town of Orchard Park, Erie County, New York (the "Land") to be improved with a 10,000+/- SF high-bay addition to an existing warehouse and shipping facility (the "Improvements"); and (ii) the acquisition and installation by the Company of certain items of machinery, equipment and other tangible personal property (the "Equipment", and collectively with the Land and the Improvements, the "Facility").

The Agency will acquire a leasehold interest in the Facility and lease the Facility back to the Company. The Company will operate the Facility during the term of the lease. At the end of the lease term, the leasehold interest will be terminated. The Agency contemplates that it will provide financial assistance to the Company for qualifying portions of the Project in the form of New York State and local sales and use tax exemption benefits and real property tax abatement benefits consistent with the policies of the Agency.

A representative of the Agency will be present at the above-stated time and place to present a copy of the Application and hear and accept written and oral comments from all persons with views in favor of or opposed to the proposed financial assistance. This public hearing is being live-streamed and made accessible on the Agency's website at www.ecidany.com. Written comments may be submitted at this public hearing, submitted on the Agency's website, or delivered to the Agency at 95 Perry Street-Suite 403, Buffalo, NY 14203 until the comment period closes on March 24, 2020. The project application is available for public inspection at the Agency's offices Monday through Friday (excluding public holidays) from 9:00 a.m. until 4:00 p.m.

This public hearing is being conducted in accordance with Subdivision 2 of Section 859-a of the New York General Municipal Law.

Mobile and other storage and related parking.

Please provide narrative of the proposed project and the purpose of the proposed project (new build, renovations, and/or

equipment purchases). Identify specific uses occurring within the project. Describe any and all tenants and any/all end users: (This information is critical in determining project eligibility)

Expansion and improvement of existing warehouse and shipping facility, including but not limited to high-bay warehouse to accommodate for increased product demand and related business growth. We currently have approx 23000 square feet of space which is currently at capacity. With anticipated growth we are proposing an additional 10000 square feet with high bay height to allow for easy placement of full skids on racking to create better and safer working conditions. This is need to maintain competitiveness for the future and to ensure we can service our customers as they would expect and have been accustomed to for the many years we have serviced them.

If the Project could be undertaken without Financial Assistance provided by the Agency, then provide a statement in the space provided below indicating why the Project should be undertaken by the Agency:

The Project referenced above is not financially viable and could not be undertaken as planned without Financial Assistance provided by the Agency, as set forth in this Application. We need the assistance to ensure we can do what our customers need as well as look at continuing our growth in this area and supplying opportunities locally.

Describe the reasons why the Agency's Financial Assistance is necessary and how the Financial Assistance enables the company to undertake the Project to facilitate investment, job creation and/or job retention. Focus on competitiveness issues, project shortfalls, etc... Your eligibility determination will be based in part on your answer (attach additional pages if necessary)

The Financial Assistance being requested will enable the applicant to meet its financial projections for the Project, both during construction and after completion. The Financial Assistance will provided needed assistance from a debt service and financial planning perspective, and it will allow for both job retention and creation as the Project will address competition issues and it will allow for improvements in manufacturing and distribution activities that will foster future growth and business development.

Please confirm by checking the box, below, if there is likelihood that the Project would not be undertaken but for the Financial Assistance provided by the Agency

Yes

If the Applicant is unable to obtain Financial Assistance for the Project, what will be the impact on the Applicant and Erie County?

The unfortunate impact to the area would be the restriction of growth and ultimately jobs

Will project include leasing any equipment?

No

If yes, please describe equipment and lease terms.

Is the proposed Project located on a site where the known or potential presence of contaminants is complicating the development/use of the property?

No

If yes, please explain

Has a Phase I Environmental Assessment been prepared, or will one be prepared with respect to the proposed Project Site?

No

If yes, please provide a copy.

Have any other studies, or assessments been undertaken with respect to the proposed Project Site that indicate the known or suspected presence of contamination that would complicate the site's development?

No

If yes, please provide copies of the study.

If you are purchasing new machinery and equipment, does it provide demonstrable energy efficiency benefits?

We would look to purchase the items necessary for the addition that are the most energy efficient.

You may also attach additional information about the machinery and equipment at the end of the application.

Does or will the company or project occupant perform research and development activities on new products/services at the project location?

No

If yes, please explain.

What percentage of annual operating expenses are attributed to the above referenced research and development activities?

Section VI: Inter-Municipal Move Determination

The Agency is required by state law to make a determination that, if completion of a Project benefiting from Agency Financial Assistance results in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, Agency financial Assistance is required to prevent the project occupant from relocating out of the state, or is reasonably necessary to preserve the project occupant's competitive position in its respective industry.

Will the project result in the removal of an industrial or manufacturing plant of the Project occupant from one area of the state to another area of the state? No

Will the project result in the abandonment of one or more plants or facilities of the Project occupant located within the state? No

If Yes to either question, explain how, notwithstanding the aforementioned closing or activity reduction, the Agency's Financial Assistance is required to prevent the Project from relocating out of the State, or is reasonably necessary to preserve the Project occupant's competitive position in its respective industry:

Does this project involve relocation or consolidation of a project occupant from another municipality or abandonment of an existing facility?

Within New York State No

Within Erie County No

If Yes to either question, please, explain

Will the project result in a relocation of an existing business operation from the City of Buffalo?

No

If yes, please explain the factors which require the project occupant to relocate out of the City of Buffalo (For example, present site is not large enough, or owner will not renew leases etc.)

What are some of the key requirements the project occupant is looking for in a new site? (For example, minimum sq. ft., 12 foot ceilings, truck loading docs etc.)

10000 square foot of space & 25 clear ceilings

If the project occupant is currently located in Erie County and will be moving to a different municipality within Erie County, has the project occupant attempted to find a suitable location within the municipality in which it is currently located?

<BLANK>

What factors have lead the project occupant to consider remaining or locating in Erie County?

If the current facility is to be abandoned, what is going to happen to the current facility that project occupant is located in?

Please provide a list of properties considered, and the reason they were not adequate. (Some examples include: site not large enough, layout was not appropriate, did not have adequate utility service, etc.) Please include full address for locations.

Section VII: Adaptive Reuse Projects

Are you applying for tax incentives under the Adaptive Reuse Program? No

What is the age of the structure (in years)? 0

Has the structure been vacant or underutilized for a minimum of 3 years? (Underutilized is defined as a minimum of 50% of the rentable square footage of the structure being utilized for a use for which the structure was not designed or intended) No

If vacant, number of years vacant. 0

If underutilized, number of years underutilized. 0

Describe the use of the building during the time it has been underutilized:

Is the structure currently generating insignificant income? (Insignificant income is defined as income that is 50% or less than the market rate income average for that property class) No

If yes, please provide dollar amount of income being generated, if any \$

If apartments are planned in the facility, please indicate the following:

	Number of Units	Sq. Ft. Range Low to High	Rent Range Low to High
1 Bedroom	0		\$
2 Bedroom	0		\$
3 Bedroom	0		\$
Other	0		\$

Does the site have historical significance? No

Are you applying for either State/Federal Historical Tax Credit Programs? No

If yes, provide estimated value of tax credits \$

Briefly summarize the financial obstacles to development that this project faces without ECIDA or other public assistance. Please provide the ECIDA with documentation to support the financial obstacles to development (you will be asked to provide cash flow projections documenting costs, expenses and revenues with and without IDA and other tax credits included indicating below average return on investment rates compared to regional industry averages)

Briefly summarize the demonstrated support that you intend to receive from local government entities. Please provide ECIDA with documentation of this support in the form of signed letters from these entities

Please indicate other factors that you would like ECIDA to consider such as: structure or site presents significant public safety hazard and or environmental remediation costs, site or structure is located in a distressed census tract, structure presents significant costs associated with building code compliance, site has historical significance, site or structure is presently delinquent in property tax payments

Section VIII: Senior Citizen Rental Housing Projects

Are you applying for tax incentives under the Senior Rental Housing policy?

No

Has the project received written support from the city, town or village government in which it is located?

<BLANK>

Describe the location of the project as it relates to the project's proximity to the town / village / city center or to a recognized hamlet.

Is the project consistent with the applicable municipal master plan?

<BLANK>

If yes, please provide a narrative identifying the master plan (by name) and describing how the project aligns with the plan details

Does the project advance efforts to create a walkable neighborhood and community in proximity to important local amenities and services?

<BLANK>

If yes, please provide a narrative describing the walkable nature of the project including access seniors would have to specific neighborhood amenities.

Has a market study shown that there is a significant unmet need in the local community or specific neighborhood where seniors are unable to find appropriate housing opportunities?

<BLANK>

Is the project located in an area (defined as a 1 – 5 mile radius of the project site) where there are significant local resident populations that are at or below the median income level?

<BLANK>

If yes, please describe how you made this determination based upon census tract and other relevant third party data.

Does the project provide amenities that are attractive to seniors and differentiates the project from standard market rate housing?

<BLANK>
