2022 ANNUAL REPORT
(For purposes of Section 2800(2) of the Public Authorities Law)

Description of the Agency:

The Erie County Industrial Development Agency (ECIDA) is a public benefit corporation that provides tax incentives, financing programs, export assistance, land development and other economic development services to the City of Buffalo and Erie County, New York.

The ECIDA has two affiliated not-for-profit organizations as follows:

- 1) **Buffalo and Erie County Regional Development Corporation (RDC).** This is a lending corporation that administers two revolving loan funds (RLFs). The first was capitalized by an Economic Development Administration (EDA) grant with matching funds from the City of Buffalo. The EDA released its federal interest in this original (“Legacy”) RLF in 2021. The second RLF was capitalized by a 2020 EDA grant as part of the Coronavirus Aid, Relief, and Economic Security (CARES) Act.
- 2) **Buffalo and Erie County Industrial Land Development Corporation (ILDC).** The ILDC takes ownership of distressed properties in order to remediate and return them to productive use. The ILDC was restructured in 2009 to allow it to issue tax-exempt interest debt on behalf of Erie County to assist local not-for-profit organizations finance development projects at a lower cost. On behalf of Erie County, the ILDC also administers the Erie County Business Development Fund, a micro-loan program funded from HUD Community Development Block Grant sources.

These corporations are related since they are managed by the same personnel. The ECIDA and RDC share the same Board of Directors as their oversight body. The ILDC board is comprised of five members, three of whom are ECIDA Board members. None of these corporations is owned by another corporation.

1. Operations & Accomplishments:

A report on the 2022 operations and accomplishments of the ECIDA and its affiliates is posted on the ECIDA's website at <http://www.ecidany.com/about-us-corporate-reports>.

2. Financial Reports:

i) Audited Financial Statements:

The audited financial statements for the ECIDA and its affiliates are posted on the ECIDA's website at <http://www.ecidany.com/about-us-corporate-reports> while the financial statement certification is included on page 9.

The financial statements are audited on an annual basis by independent auditors, Lumsden McCormick, LLP. In their opinion, the financial statements present fairly, in all material respects, the financial position of the ECIDA and its affiliates as of December 31, 2022, and the changes in financial position and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

ii) Grants & Subsidy Programs:

The ECIDA and its affiliates are recipients of various pass-through Federal, State and local grant programs that are utilized for land development, loan, and other economic development programs. Details of the various grants are outlined in the notes to the audited financial statements.

In accomplishing its mission, the ECIDA does not receive any operational funding or subsidies from Federal, State, County or local sources. Instead, the ECIDA relies primarily upon administrative fees charged to those businesses that utilize its products and services.

iii) Operating & Financial Risks:

The following outline some of the operating and financial risks that impact the ECIDA and its affiliates:

- New York State Legislation – The New York State Legislature can impose various restrictions on the ability of Industrial Development Agencies to provide tax incentives which could significantly impact the revenue of the ECIDA.
- Collectability of loans receivable – The RDC and ILDC operate various revolving loan programs and as such their financial results are impacted by the collectability of the related loans.
- Litigation – To provide various tax incentives or grants, the ECIDA takes a leasehold or ownership interest in various properties and is at times brought into various lawsuits that could impact the ECIDA’s financial results.
- Regulations – The ECIDA, RDC and ILDC are subject to various regulations including those imposed by the NYS Authorities Budget Office and the Federal Economic Development Administration. These regulations may increase the cost of compliance or impact the financial position of the Agency.
- Local economic conditions – Since the ECIDA relies upon fees generated from various projects that it assists, a reduction in the number and/or size of those projects would significantly impact the Agency’s revenues.

The ECIDA mitigates a portion of the above risks through prudent financial management, external legal guidance and comprehensive insurance coverage.

iv) Current bond ratings:

The ECIDA and ILDC act as conduits for tax-exempt bond financings by various not-for-profit and other eligible borrowers. As conduit bond issuers, the ECIDA and ILDC do not issue bonds on their own behalf and therefore are not rated by municipal bond rating agencies.

v) Long-term liabilities including leases and employee benefit plans:

The ECIDA has long-term liabilities that are recorded on its financial statements related to funds held on behalf of others under certain fiduciary arrangements as outlined in the notes to the ECIDA audited financial statements. The ECIDA does not have any long-term liabilities under employee benefit plans as ECIDA employees are not covered by any defined benefit pension plans or provided with any post-retirement benefits.

The ECIDA (as lessee) has a lease for its office space and three minor long-term leases for office equipment. The office lease is recognized as a right-to-use lease asset and lease liability in the audited financial statements.

3. Mission Statement & Performance Measurements:

The ECIDA’s Mission Statement & Measurements Report for 2022 is included in Attachment 1. This document was reviewed and approved by the Board at the March 23, 2022 Board meeting.

4. Schedule of Bonds and Notes Outstanding:

Attachment 2 summarizes the ECIDA’s and ILDC’s bonds and notes outstanding at December 31, 2022. The indebtedness shown on these schedules is conduit debt and is

not an obligation of the ECIDA, ILDC, Erie County or New York State. Neither the ECIDA nor the ILDC records the assets or liabilities resulting from completed bond and note issues in their accounts since their primary function is to facilitate the financing between the borrowing companies and the bond and note holders.

5. Compensation Schedule:

See Attachment 3 for a list of ECIDA employees who had a salary exceeding \$100,000 during 2022. Attachment 3A is a summary of benefits provided to those staff as per the New York State Public Authorities Reporting Information System (PARIS). Biographies for these individuals are posted on the ECIDA website at <http://www.ecidany.com/staff-directory>. Salaries and benefit information for other ECIDA staff are also reported under the PARIS system.

None of the directors of the ECIDA or its affiliates receive any compensation for their services as directors. None of the officers of the ECIDA or its affiliates receive any compensation for their services as officers beyond their compensation as employees. None of the ECIDA affiliates had any employees during 2022.

10. Legislation that forms the Statutory Basis of the Authority:

ECIDA

Industrial development agencies (“IDAs”) are formed under Article 18-A of New York State General Municipal Law, as public benefit corporations. IDAs were created to actively promote, encourage, attract and develop job and recreational opportunities and economically-sound commerce and industry in cities, towns, villages and counties throughout New York State (the “State”). IDAs are empowered to provide financial assistance to private entities through tax incentives in order to promote the economic welfare, prosperity and recreational opportunities for residents of a municipality (“Benefited Municipality”).

Section 891a of the General Municipal Law outlines the composition of the Erie County IDA membership and additional powers granted to the ECIDA. A copy of this specific legislation can be found at the following address:

RDC & ILDC

The RDC & ILDC are local development corporations which are formed and empowered to conduct certain projects pursuant to Not-For-Profit Corporation Law §1411. Distinguished from IDAs (which exist as public benefit corporations), LDCs are established as charitable corporations that are empowered to construct, acquire, rehabilitate and improve for use by others, industrial or manufacturing plants in the territory in which its operations are principally to be conducted (“Benefited Territory”) and to make loans. LDCs can provide financial assistance for the construction, acquisition, rehabilitation, improvement, and maintenance of facilities for others in its Benefited Territory. Specific LDC powers include the ability to: (i) disseminate information and furnish advice, technical assistance and liaison services to Federal, State and local authorities; (ii) to acquire by purchase, lease, gift, bequest, devise or otherwise, real or personal property; and (iii) to borrow money and to issue negotiable bonds, notes and other obligations. LDCs are empowered to sell, lease, mortgage or otherwise dispose of or encumber facilities or any real or personal property or any interest therein.

ECIDA, through its development arm ILDC, continued redevelopment work at Renaissance Commerce Park in Lackawanna, NY. Contracts for road construction and sewer and water line construction were awarded during 2022, to be funded with grants from Empire State Development (ESD) and the U.S. Economic Development Administration (EDA). Water and sewer engineering work continued during the year, with a \$700,000 grant from Erie County, as well as Shoreline Trail enhancements with support from the NYS Department of State. Uniland Development exercised a purchase option on an 8-acre parcel of land for a new construction commercial warehouse building after the success of their first building with land purchased in 2021. Ciminelli Real Estate Corporation also entered into an agreement to purchase an 11.5-acre parcel for new commercial construction. Funding from Erie County for wayfinding and entry signage was also secured during the year.

The ILDC continued work on the Agri-Business Park's Master Plan/GEIS in 2022, the ILDC's other major property in Evans, NY. This work is being completed with grant support from National Grid (\$354,000) and Erie County (\$230,000). A \$250,000 grant was also awarded by ESD to be used for building demolition, sewer, and roadway work.

ECIDA worked in conjunction with other local IDAs to approve an Amended and Restated Countywide IDA Uniform Tax Exemption Policy (UTEP). The UTEP maintains a baseline "Countywide Policy" for all IDAs within Erie County, and allows for each IDA to adopt unique requirements or policies specific to an individual IDA, if desired.

ECIDA also serves as the designated Planning Organization for the EDA, responsible for the development and implementation of a Comprehensive Economic Development Strategy (CEDS) for the region. A new CEDS must be prepared at least every five years for communities and organizations within the area to qualify for certain EDA funding. ECIDA worked in partnership with numerous local municipalities and other stakeholders to update the CEDS for 2022-2026. Key themes include infrastructure, business and industry support, quality of life, and regional collaboration.

The RDC continued to operate two revolving loan funds (RLFs) in 2022, providing favorable terms to businesses who may not qualify for traditional lending from banks. By the end of 2022, the RDC's funds available for lending dropped to approximately \$750,000, meaning that over \$21 million has been put to work in Erie County, NY.

ECIDA's and ILDC's Board approved a formal Fee Structure policy in 2022.

14. Four-Year Financial Plan:

A copy of the four-year financial plan is posted on the ECIDA's website at <https://www.ecidany.com/about-us-corporate-reports>.
