Applicant Business Description

Describe in detail company background, products, customers, goods and services. Description is critical in determining eligibility

CPI Controls, with home office in Rhode Island, gave me the opportunity to open a branch for them in Western New York in 1990. CPI had branches in Maine, Rhode Island, New Jersey and Albany. I was working at the time for CPI's Albany branch when they asked me. It was exciting for us to come back to WNY and I chose to open the branch in my home town of West Seneca on Dec 3rd, 1990. In 2006 John Ruggieri, the owner of CPI Controls, gave me the chance to buy the West Seneca branch. We agreed to a slight change in the company name from CPI Controls to CPI Process Systems. Fortunately it has worked out well. We're a distributor of industrial valves and specialize in pneumatic and electric valve assemblies. Our larger customers include Praxair in Tonawanda, IMA Life in Tonawanda, Pall Corporation in Cortland, Samco Technologies in Buffalo and Niacet Corporation in Niagara Falls. Praxair is 40% of our business. We are a global supplier of cryogenic valves for them, as well as pneumatic and electric valve assemblies.

Section II: Eligibility Questionnaire - Project Description & Details

Project Location

Municipality or Municipalities of current operations

West Seneca

Will the Proposed Project be located within a Municipality identified above?

Yes

In which Municipality will the proposed project be located

West Seneca

Address

2800 North America Drive

Will the completion of the Project result in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state OR in the abandonment of one or more plants or facilities of the project occupant located within the state?

No

If the Proposed Project is located in a different Municipality than that Municipality in which current operations are being undertaken, is it expected that any of the facilities in any other Municipality will be closed or be subject to reduced activity?

No

(If yes, you will need to complete the Retail Section of this application)

SBL Number for Property upon which proposed Project will be located

135.06-6-2

What are the current real estate taxes on the proposed Project Site

\$2,463.09

Assessed value of land

\$48,000

Assessed value of building(s)

Are Real Property Taxes current?

Yes

If no please explain

Town/City/Village of Project Site

West Seneca

School District of Project Site

West Seneca

Does the Applicant or any related entity currently hold fee title to the Project site?

Yes

If No, indicate name of present owner of the Project Site

Does Applicant or related entity have an option/contract to purchase the Project site?

No

Describe the present use of the Proposed Project site

Vacant land in the industrial park.

Please provide narrative of the proposed project and the purpose of the proposed project (new build, renovations, and/or

equipment purchases). Identify specific uses occurring within the project. Describe any and all tenants and any/all end users: (This information is critical in determining project eligibility)

We currently lease 5,000 sq ft on North America Drive and 3,000 sq ft in additional warehouse space on Ransier Drive. Our leases run out the end of 2019. Being in a larger facility with all inventory under one roof will help us be more efficient and will give us more room to stage project orders and be more responsive to our customers. We will need to purchase one tow motor, one automatic tagging machine, one welding machine and two overhead cranes.

If the Project could be undertaken without Financial Assistance provided by the Agency, then provide a statement in the space provided below indicating why the Project should be undertaken by the Agency:

There is heavy competition in the valve industry. We are hoping with your help to grow our business and better serve our customers.

Describe the reasons why the Agency's Financial Assistance is necessary and how the Financial Assistance enables the company to undertake the Project to facilitate investment, job creation and/or job retention. Focus on competitiveness issues, project shortfalls, etc... Your eligibility determination will be based in part on your answer (attach additional pages if necessary)

With this expansion we will need three more people. One more shop person, possibly one more engineer and also one more in administration. With this investment it will enable us to handle project work more efficiently. This will give us the opportunity to use our bank credit line as well to increase our inventory to be more responsive to the customer.

Please confirm by checking the box, below, if there is likelihood that the Project would not be undertaken but for the Financial Assistance provided by the Agency

Yes

If the Applicant is unable to obtain Financial Assistance for the Project, what will be the impact on the Applicant and Erie County?

We will most likely remain stagnant and we'll need to lease.

Will project include leasing any equipment?

Yes

If yes, please describe equipment and lease terms.

We will either lease or take an equipment loan. We will need a tow motor, two cranes, a laser tagging machine and a new welder.

Site Characteristics

Will the Project meet zoning/land use requirements at the proposed location?

Yes

Describe the present zoning/land use

Building will be in the North America Industrial Park.

Describe required zoning/land use, if different

If a change in zoning/land use is required, please provide details/status of any request for change of zoning/land use requirements

Is the proposed Project located on a site where the known or potential presence of contaminants is complicating the development/use of the property?

No

If yes, please explain

Has a Phase I Environmental Assessment been prepared, or will one be prepared with respect to the proposed Project Site?

Yes

If yes, please provide a copy.

Have any other studies, or assessments been undertaken with respect to the proposed Project Site that indicate the known or suspected presence of contamination that would complicate the site's development?

Yes

If yes, please provide copies of the study.

If you are purchasing new machinery and equipment, does it provide demonstrable energy efficiency benefits?

There will be human energy efficiencies (efficiencies in our shop).

You may also attach additional information about the machinery and equipment at the end of the application.

Does or will the company or project occupant perform research and development activities on new products/services at the project location?

No

If yes, please explain.

What percentage of annual operating expenses are attributed to the above referenced research and development activities?

Select Project Type for all end users at project site (you may check more than one)

Will customers personally visit the Project site for either of the following economic activities? If yes with respect to either economic activity indicated below, complete the Retail Determination contained in Section IV of the Application.

Please check any and all end uses as identified below.

Retail Sales No **Services** No

For purposes of this question, the term "retail sales" means (i) sales by a registered vendor under Article 28 of the Tax Law of the State of New York (the "Tax Law") primarily engaged in the retail sale of tangible personal property (as defined in Section 1101(b)(4) (i) of the Tax Law), or (ii) sales of a service to customers who personally visit the Project.

Do the Premises have any asbestos containing materials?

No

If yes, please identify the materials

Section VI: Inter-Municipal Move Determination

The Agency is required by state law to make a determination that, if completion of a Project benefiting from Agency Financial Assistance results in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, Agency financial Assistance is required to prevent the project occupant from relocating out of the state, or is reasonably necessary to preserve the project occupant's competitive position in its respective industry.

Will the project result in the removal of an industrial or manufacturing plant of the Project occupant from one area of the state to another area of the state? No

Will the project result in the abandonment of one or more plants or facilities of the Project occupant located within the state? No

If Yes to either question, explain how, notwithstanding the aforementioned closing or activity reduction, the Agency's Financial Assistance is required to prevent the Project from relocating out of the State, or is reasonably necessary to preserve the Project occupant's competitive position in its respective industry:

Does this project involve relocation or consolidation of a project occupant from another municipality or abandonment of an existing facility?

Within New York State No

Within Erie County No

If Yes to either question, please, explain

Will the project result in a relocation of an existing business operation from the City of Buffalo?

No

If yes, please explain the factors which require the project occupant to relocate out of the City of Buffalo (For example, present site is not large enough, or owner will not renew leases etc.)

What are some of the key requirements the project occupant is looking for in a new site? (For example, minimum sq. ft., 12 foot ceilings, truck loading docs etc.)

More square footage, high ceilings with overhead cranes, more efficient

If the project occupant is currently located in Erie County and will be moving to a different municipality within Erie County, has the project occupant attempted to find a suitable location within the municipality in which it is currently located?

No

What factors have lead the project occupant to consider remaining or locating in Erie County?

Currently leasing in Erie County. Our work force lives in Erie County.

If the current facility is to be abandoned, what is going to happen to the current facility that project occupant is located in?

Please provide a list of properties considered, and the reason they were not adequate. (Some examples include: site not large enough, layout was not appropriate, did not have adequate utility service, etc.) Please include full address for locations.

Section VII: Adaptive Reuse Projects

Are you applying for tax incentives under the Adaptive Reuse Program? No

What is the age of the structure (in years)? 0

Has the structure been vacant or underutilized for a minimum of 3 years? (Underutilized is defined as a minimum of 50% of the rentable square footage of the structure being utilized for a use for which the structure was not designed or intended) <BLANK>

If vacant, number of years vacant. 0

If underutilized, number of years underutilized. 0

Describe the use of the building during the time it has been underutilized:

Is the structure currently generating insignificant income? (Insignificant income is defined as income that is 50% or less than the market rate income average for that property class) <BLANK>

If yes, please provide dollar amount of income being generated, if any \$

If apartments are planned in the facility, please indicate the following:

	Number of Units	Sq. Ft. Range Low to High	Rent Range Low to High
1 Bedroom	0		\$
2 Bedroom	0		\$
3 Bedroom	0		\$
Other	0		\$

Does the site have historical significance? No

Are you applying for either State/Federal Historical Tax Credit Programs? No

If yes, provide estimated value of tax credits \$

Briefly summarize the financial obstacles to development that this project faces without ECIDA or other public assistance. Please provide the ECIDA with documentation to support the financial obstacles to development (you will be asked to provide cash flow projections documenting costs, expenses and revenues with and without IDA and other tax credits included indicating below average return on investment rates compared to regional industry averages)

Briefly summarize the demonstrated support that you intend to receive from local government entities. Please provide ECIDA with documentation of this support in the form of signed letters from these entities

Please indicate other factors that you would like ECIDA to consider such as: structure or site presents significant public safety hazard and or environmental remediation costs, site or structure is located in a distressed census tract, structure presents significant costs associated with building code compliance, site has historical significance, site or structure is presently delinquent in property tax payments

Section VIII: Senior Citizen Rental Housing Projects

Are you applying for tax incentives under the Senior Rental Housing policy?

No

Has the project received written support from the city, town or village government in which it is located?

No

Describe the location of the project as it relates to the project’s proximity to the town / village / city center or to a recognized hamlet.

Is the project consistent with the applicable municipal master plan?

<BLANK>

If yes, please provide a narrative identifying the master plan (by name) and describing how the project aligns with the plan details

Does the project advance efforts to create a walkable neighborhood and community in proximity to important local amenities and services?

<BLANK>

If yes, please provide a narrative describing the walkable nature of the project including access seniors would have to specific neighborhood amenities.

Has a market study shown that there is a significant unmet need in the local community or specific neighborhood where seniors are unable to find appropriate housing opportunities?

<BLANK>

Is the project located in an area (defined as a 1 – 5 mile radius of the project site) where there are significant local resident populations that are at or below the median income level?

No

If yes, please describe how you made this determination based upon census tract and other relevant third party data.

Does the project provide amenities that are attractive to seniors and differentiates the project from standard market rate housing?

<BLANK>

If yes, please describe these amenities (examples may include: community rooms, social / recreational activity areas, senior-oriented fixtures and safety amenities, security systems, call systems, on site medical services)

Are there impediments that hinder the ability to conventionally finance this project and /or negatively impact the project’s return on investment?

<BLANK>

If yes, please briefly summarize the financial obstacles to development that this project faces without IDA or other public assistance. Please provide the IDA with documentation to support the financial obstacles to development (you will be asked to provide cash flow projections documenting costs, expenses and revenues with and without IDA and other tax credits included indicating below average return on investment rates compared to regional industry averages)

Will the project target (and maintain during the incentive period) a minimum 50% occupancy rate of senior citizens whose income is at or below 60-80% of the median income for Erie County?

No

If yes, please describe provide a narrative citing key facts that substantiate this finding.

Section IX: Retail Determination

Will any portion of the project (including that portion of the costs to be financed from equity or other sources) consist of facilities or property that are or will be primarily used in making sales of goods or services to customers who personally visit the project site? No

If yes, complete the Retail Questionnaire Supplement below.

What percentage of the cost of the project will be expended on such facilities or property primarily used in making sales of goods or services to customers who personally visit the project? 0 %

If the answer to this is **less than 33%** do not complete the remainder of the page and proceed to the next section (Section V: Inter-Municipal Move Determination).

If the answer to A is Yes AND the answer to Question B is greater than 33.33%, indicate which of the following questions below apply to the project:

Will the project be operated by a not-for-profit corporation? <BLANK>

Is the project location or facility likely to attract a significant number of visitors from outside the economic development region (Erie, Niagara, Allegheny, Chautauqua and Cattaraugus counties) in which the project will be located? <BLANK>

If yes, please provide a third party market analysis or other documentation supporting your response.

Is the predominant purpose of the project to make available goods or services which would not, but for the project, be reasonably accessible to the residents of the municipality? Are services provided at the proposed project site needed because of a lack of reasonably accessible retail trade facilities offering such goods or services? <BLANK>

If yes, please provide a market analysis supporting your response.

Will the project preserve permanent, private sector jobs or increase the overall number of permanent private sector jobs in the State of New York? <BLANK>

If yes, explain

Is the project located in a Highly Distressed Area? <BLANK>
