3. Purpose – Pursuant to Section 104-b of the GML, the primary objectives of this Policy are to assure the prudent and economical use of public monies in the best interests of the taxpayers of the County of Erie, to facilitate the acquisition of goods and services of maximum quality at the lowest possible cost under the circumstances and to guard against favoritism, improvidence, extravagance, fraud and corruption.

2. Exceptions. Alternative proposals or quotations shall not be required for procurements made through or with respect to:
 - a. New York State or Erie County Contracts – when the Agency is able to procure commodities, equipment, goods or services through New York State or Erie County contracts, it is unnecessary to obtain quotations or bids;

 - e. Sole Source Procurements – A “sole source” means a situation where (i) there is only one possible source from which to produce goods and/or services available in the marketplace, (ii) no other goods and/or services provide substantially equivalent or similar benefits, and (iii) considering the benefits, the cost to the Agency is reasonable.

3. Basis for the Award of Contracts.

Contracts will be awarded to the lowest responsible dollar offeror who meets the specifications therefor, except in circumstances that the Agency determines justify an award to other than the lowest responsible dollar offeror. In making any such determination, the Agency shall consider relevant factors including, without limitation:

- a. Delivery requirements
- b. Quality requirements
- c. Quantity requirements

- d. Past vendor performance and/or experience
 - e. The unavailability of three or more vendors who are able or willing to quote on a procurement.

4. Documentation
- a. A record of all solicitations for alternative proposals or quotations, the response (if applicable), and any determinations pursuant thereto shall be maintained in the procurement file.
 - b. For each procurement by the Agency the chief executive officer of the Agency or authorized designee shall set forth in writing the category of procurement that is being made and what method of procurement is specified.
 - c. Whenever an award is made to other than the lowest responsible dollar offeror the reasons for doing so shall be set forth in writing and maintained in the procurement file.
 - d. Whenever the specified number of quotations cannot or will not be secured, the reasons for this shall be indicated in writing and maintained in the procurement file.

C. Erie County Businesses and Minority & Women Owned Enterprises.

It is the preference of the Agency to provide opportunities for the purchase of goods and services from (i) business enterprises located in Erie County and (ii) certified minority and/or women-owned business enterprises. To that end, the Agency will utilize available lists of M/WBE firms certified by Erie County and/or the State of New York and will solicit bids and proposals from such businesses by notifying them of opportunities to submit proposals and bids for goods and services. MBE and WBE businesses will be provided with sufficient time to submit proposals in response to solicitations.

D. Effect on Other Procurement Requirements.

Where the procurement of a specific good or service is to be accomplished using funds other than the funds of the Agency and such funding sources specify different or more restrictive procurement requirements than are provided for in this Policy, the procurement requirements of the funding source will supersede the requirements of this

Policy. Toward this end, the Agency will follow the procurement standards as set forth in 2 CFR Part 200 for any procurements utilizing federal funds unless otherwise superseded by the specific federal award agreement.

E. Professional Services.

Contracts for professional services involve the application of specialized expertise, the use of professional judgment, or a high degree of creativity. Professional services include services which require special education and/or training, license to practice or are creative in nature. Examples are: lawyers, doctors, accountants, and engineers. Furthermore, professional service contracts often involve a relationship of personal trust and confidence. Procurement of professional services below \$20,000 is not subject to the solicitation procedures contained in Section B(1) of this Policy. Procurement of professional services greater than \$20,000 is subject to the existing “Professional Services RFP Process” as amended from time to time. Specific professional services not otherwise identified within the “Professional Services RFP Process” are hereby deemed to be so included, as appropriate.

F. Procurement of Insurance.

Procurement of Insurance Brokerage services is subject to this Policy as a professional service. Notwithstanding the foregoing actual insurance policies procured are not subject to requirements of this Policy.

G. Procurement Lobbying Law.

In accordance with Chapter 1 of the Laws of 2005, generally referred to as the “Procurement Lobbying Law”, the Agency shall implement the provision of such Procurement Lobbying Law for any contract or other agreement for an article of procurement involving an estimated annualized expenditure in excess of \$15,000.

H. Unintentional Failure to Comply.

The unintentional failure to comply with the provisions of Section 104-b of the GML shall not be grounds to void action taken or give rise to a cause of action against the Agency or any officer thereof.
